Baird Medical Investment Holdings Limited, a Cayman Islands exempted company (the “Company”), furnishes under the cover of Form 6-K the following:

Entry into a Material Definitive Agreement

On September 24, 2026, the Company, entered into a certain Securities Purchase Agreement (the “SPA”) with an institutional investor (the “Purchaser”). Pursuant to the SPA, the Company agreed to issue and sell to the Purchaser a senior 8% original issue discount convertible promissory note in the principal amount of US\$4,347,826, which is convertible into our ordinary shares (the “Note”). The Notes carry an 8% original issue discount, and have a term of 12 months from the issuance date. No interest accrues during the term of the Notes unless an event of default occurs, in which case interest will accrue at a rate of 15% per annum or, if less, the highest amount permitted by law. Such interest shall compound monthly based upon a 360-day year, and shall be due and payable on the first trading day of each month during the continuance of such event of default (a “Default Interest Payment Date”). In the event that such event of default is subsequently cured and no other event of default then exists, the interest shall cease to accrue hereunder as of the day immediately following the date of such cure. Our obligations under these Notes rank senior to all other existing indebtedness and equity of our Company.

Pursuant to the SPA, the Note is also subject to an additional 2% original issue discount of the subscription amount, or \$86,956 (the “Additional Discount”). Accordingly the Company issued an aggregate of 110,070 ordinary shares, par value \$0.0001 per share, which equals to the result of Additional Discount divided by \$0.79 per share, the closing price of the ordinary shares as reported on the trading day immediately preceding the closing date (as applicable, the “Discount Shares”).

In addition, the Purchaser shall have the obligation to lend the Company an additional \$3,680,000, exercisable within 180 days of the closing date; provided that (i) the closing price on the trading day immediately preceding the second closing date is more than \$1.00, (ii) the sale of the conversion shares issuable upon conversion of the Note may be made under the Registration Statement on Form F-3 filed by the Company with the SEC and declared effective by the SEC, (iii) less than \$300,000 of principal amount of the Note is outstanding, and (iv) the conditions set forth in Section 2.3 of the SPA shall have been satisfied. Within 360 days of the first closing date, the Purchaser may lend the Company an additional \$6 million in two closings, subject to mutual consent of the parties.

Conversion of the Note

The Purchaser can convert its Note into ordinary shares by providing a conversion notice. The number of shares issuable upon a conversion is calculated by dividing (i) the portion of the principal and any accrued interest the holder chooses to convert by (ii) the conversion price on the date of the conversion notice. The conversion price is the lower of (i) the Fixed Conversion Price, set at \$0.9842, which is 120% of the average of the three daily VWAPs as of the trading day immediately before the closing date of the Purchase Agreement, and (ii) the alternative conversion price, set at 92% of the lowest daily VWAP over the seven trading days immediately before the date of the applicable conversion notice (or 85% upon an event of default). Any fractional amounts resulting from these calculations will be rounded down to the nearest cent, and the conversion price cannot fall below the floor price, which is set at 20% of the Nasdaq minimum price as defined under Nasdaq Listing Rules. If the conversion price is lower than the floor price at the time a conversion notice is received, shares will be issued based on the floor price, and the Company shall either (i) reduce the floor price to allow such conversion to be made at the Conversion Price then in effect, or (ii) issue a number of shares equal to the conversion amount divided by such floor price and either (A) pay the economic difference between the applicable conversion price (without regard to the Floor Price) and such floor price in cash or (B) add such economic difference to the principal of the Note. The difference is determined as (i) the number of shares that would have been delivered using the conversion price, minus (ii) the number of shares delivered using the floor price, multiplied by (iii) the daily VWAP of our shares on the date of the conversion notice.

The Purchaser does not have the right to convert any portion of the Note if, upon conversion, the Purchaser and any other attribution parties would collectively beneficially own more than 9.99% (the “Maximum Percentage”) of our outstanding ordinary shares immediately after giving effect to such conversion.

Subsidiary Guarantee

In connection with the issuance of the Note, the Company and each of the Company’s subsidiaries (other than the Excluded Subsidiary, as defined under the Guarantee) have entered into a Subsidiary Guarantee (the “Guarantee”) in favor of the Investor. The Guarantee may also be joined by any subsidiary of the Company formed or acquired after the date thereof for so long as the Guarantee remains in effect. For a detailed description of the Guarantee. Please refer to “Description of Securities We Are Offering - Subsidiary Guarantee” included in the prospectus supplement the Company filed on September 24, 2026.

Pledge Agreement

In connection with the issuance of the Note, the Company, as pledgor, has entered into a Pledge Agreement (the “Pledge Agreement”) with the Investor. Pursuant to the Pledge Agreement, the Company has pledged and granted to the Investor, a first priority perfected security interest in all of the equity interests (the “Pledged Interests”) of Baird Med LLC, its wholly owned U.S. operating subsidiary, and any other subsidiaries of the Company formed, registered, incorporated, or acquired after the date thereof that have assets located in, or are otherwise subject to the jurisdiction of, any state or territory of the United States (each, a “Pledge Entity”). Please refer to “Description of Securities We Are Offering – Pledge Agreement” included in the prospectus supplement the Company filed on September 24, 2026.

Security Agreement

In connection with the issuance of the Note, the Company and Baird Medical LLC (collectively, the “Debtors”) have entered into a Security Agreement (the “Security Agreement”) with the Purchaser. The Security Agreement provides that any subsidiary of the Company formed, registered, incorporated, or acquired after the date thereof that has assets located in, or is otherwise subject to the jurisdiction of, any state or territory of the United States will be required to join the Security Agreement as an additional Debtor.

Pursuant to the Security Agreement, each Debtor has granted to the Secured Party, a lien on and security interest in substantially all of such Debtor’s assets located in the United States (the “Collateral”), and all proceeds of the foregoing. The Collateral excludes certain assets where the grant of a security interest would violate or invalidate an existing lease, license, or agreement or trigger a termination right in favor of a third party (the “Excluded Assets”). Please refer to “Description of Securities We Are Offering – Security Agreement” included in the prospectus supplement the Company filed on September 24, 2026.

The foregoing descriptions of the Securities Purchase Agreement, Note, Security Agreement, Pledge Agreement and Guarantee Agreement do not purport to be complete and are qualified in their entirety by the full text of such documents, forms of which are filed as Exhibits 10.1-10.5 and are incorporated herein by reference.

The Company understands and confirms that the Investor shall be relying on the foregoing covenant in effecting transactions in securities of the Company. The Company and the Investor shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor any Investor shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company, with respect to any press release of any Investor, or without the prior consent of the Investor, with respect to any press release of the Company, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by Law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Investor, or include the name of any Investor in any filing with the SEC or any regulatory agency or Trading Market, without the prior written consent of such Investor, except (a) as required by federal securities Law in connection with the filing of final Transaction Documents with the SEC and (b) to the extent such disclosure is required by Law or Trading Market regulations, in which case the Company shall provide the Investor with prior notice of such disclosure permitted under this clause (b).

4.5 Stockholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that any Investor is an “**Acquiring Person**” under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company, or that any Investor could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving a Note under the Transaction Documents or under any other agreement between the Company and the Investor.

4.6 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, which shall be disclosed pursuant to Section 4.4 and except for any Investor who is an officer or director of the Company the Company covenants and agrees that neither it, nor any other Person acting on its behalf will provide any Investor or its agents or counsel with any information that constitutes, or the Company reasonably believes constitutes, material non-public information, unless prior thereto such Investor shall have consented to the receipt of such information and agreed with the Company to keep such information confidential. The Company understands and confirms that the Investor shall be relying on the foregoing covenant in effecting transactions in securities of the Company. To the extent that the Company, any of its Subsidiaries, or any of their respective officers, directors, agents, employees or Affiliates delivers any material, non-public information to a Investor without such Investor’s consent, the Company hereby covenants and agrees that such Investor shall not have any duty of confidentiality to the Company, any of its Subsidiaries, or any of their respective officers, directors, agents, including, employees or Affiliates, or a duty to the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates not to trade on the basis of, such material, non-public information, provided that the Investor shall remain subject to applicable Law. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material, non-public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the SEC pursuant to a Current Report on Form 6-K. The Company understands and confirms that the Investor shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

4.7 Use of Proceeds. The Company shall use the net proceeds from the sale of the Note as set forth in the Prospectus Supplement. The Company shall not use such proceeds in violation of FCPA or OFAC regulations.

4.8 Indemnification of the Investor. Subject to the provisions of this Section 4.8, the Company will indemnify and hold the Investor and its directors, officers, shareholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls such Investor (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a “**Investor Party**”) harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation that any such Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents, (b) any action instituted against the Investor Parties in any capacity, or any of them or their respective Affiliates, by any stockholder of the Company who is not an Affiliate of such Investor Party, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is solely based upon a material breach of such Investor Party’s representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Investor Party may have with any such stockholder or any violations by such Investor Party of state or federal securities Laws or any conduct by such Investor Party which is finally judicially determined to constitute fraud, gross negligence or willful misconduct) or (c) in connection with any registration statement of the Company providing for the resale by the Investor of the Conversion Shares, the Company will indemnify each Investor Party, to the fullest extent permitted by applicable Law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable attorneys’ fees) and expenses, as incurred, arising out of or relating to (i) any untrue or alleged untrue statement of a material fact contained in such registration statement, any prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that such untrue statements or omissions are based solely upon information regarding such Investor Party furnished in writing to the Company by such Investor Party expressly for use therein, or (ii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act or any state securities law, or any rule or regulation thereunder in connection therewith). If any action shall be brought against any Investor Party in respect of which indemnity may be sought pursuant to this Agreement, such Investor Party shall promptly notify the Company in writing, and the Company shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Investor Party. Any Investor Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Investor Party except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of counsel, a material conflict on any material issue between the position of the Company and the position of such Investor Party, in which case the Company shall be responsible for the reasonable fees and expenses of no more than one such separate counsel and any local counsel. The Company will not be liable to any Investor Party under this Agreement (y) for any settlement by the Investor Party effected without the Company’s prior written consent, which shall not be unreasonably withheld or delayed; or (z) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Investor Party’s breach of any of the representations, warranties, covenants or agreements made by such Investor Party in this Agreement or in the other Transaction Documents. The indemnification required by this Section 4.8 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or are incurred. The indemnity agreements contained herein shall be in addition to any cause of action or similar right of any Investor Party against the Company or others and any liabilities the Company may be subject to pursuant to Law.

4.9 Reservation and Listing of Securities.

(a) The Company shall maintain a reserve of the Required Minimum from its duly authorized Common Stock for issuance pursuant to the Transaction Documents in such amount as may then be required to fulfill its obligations in full under the Transaction Documents.

(b) If, on any date, the number of authorized but unissued (and otherwise unreserved) shares of Common Stock is less than the Required Minimum on such date, then the Company and its Board of Directors shall use commercially reasonable efforts to obtain the requisite shareholder approval required under Cayman Islands law to amend the Company's M&A to increase the maximum number of authorized but unissued Common Stock to at least the Required Minimum at such time, as soon as possible and in any event not later than the 75th day after such date.

(c) The Company shall, if applicable: (i) in the time and manner required by the Principal Market, prepare and file with such Trading Market an additional shares listing application covering a number of shares of Common Stock at least equal to the Required Minimum on the date of such application, (ii) take all steps necessary to cause such Common Stock to be approved for listing or quotation on such Trading Market as soon as possible thereafter, (iii) provide to the Investor evidence of such listing or quotation and (iv) maintain the listing or quotation of such Common Stock on any date at least equal to the Required Minimum on such date on such Trading Market or another Trading Market.

4.10 Listing of Common Stock. The Company hereby agrees to use commercially reasonable efforts to maintain the listing or quotation of the Common Stock on the Trading Market on which it is currently listed, and concurrently with the Closing, the Company shall apply to list or quote all of the Conversion Shares on such Trading Market and promptly secure the listing of all of the Conversion Shares on such Trading Market. The Company further agrees, if the Company applies to have the Common Stock traded on any other, and will take such other action as is necessary to cause all of the Conversion Shares and to be listed or quoted on such other Trading Market as promptly as possible. The Company will then take all action reasonably necessary to continue the listing and trading of its Common Stock on a Trading Market and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Trading Market. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.11 Participation in Future Financing.

(a) From the date hereof until the 18-month anniversary of the date of this Agreement, upon any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents for cash consideration, Indebtedness or a combination of units thereof (a "Subsequent Financing"), the Investor shall have the right to participate in aggregate up to an amount of the Subsequent Financing equal to 25% of the Subsequent Financing (the "Participation Maximum") on the same terms, conditions and price provided for in the Subsequent Financing.

(b) At least five Trading Days prior to the closing of the Subsequent Financing (or 48 hours in the event such Subsequent Financing is a public offering off of a shelf registration statement, or 12 hours in the event such Subsequent Financing is an intra-day registered direct offering off of a shelf registration statement (in which the offering occurs within one Trading Day), or such shorter time as the Investor in its sole discretion may permit), the Company shall deliver to the Investor a written notice of its intention to effect a Subsequent Financing ("Pre-Notice"), which Pre-Notice shall ask the Investor if it wants to review the details of such financing (such additional notice, a "Subsequent Financing Notice"). Upon the request of the Investor, and only upon a request by the Investor, for a Subsequent Financing Notice, the Company shall promptly, but no later than one Trading Day after such request (or three hours in the event such Subsequent Financing is a public offering off of a shelf registration statement), deliver a Subsequent Financing Notice to the Investor. The Subsequent Financing Notice shall describe in reasonable detail the proposed terms of such Subsequent Financing, the amount of proceeds intended to be raised thereunder and the Person or Persons through or with whom such Subsequent Financing is proposed to be effected and shall include a term sheet or similar document relating thereto as an attachment.

(c) The Investor desiring to participate in such Subsequent Financing must provide written notice to the Company by not later than 5:30 p.m. (Eastern Time) on the third Trading Day after the Investor has received the Pre-Notice that the Investor is willing to participate in the Subsequent Financing (or three hours in the event such Subsequent Financing is a public offering off of a shelf registration statement), the amount of the Investor's participation, and representing and warranting that the Investor has such funds ready, willing, and available for investment on the terms set forth in the Subsequent Financing Notice. If the Company receives no such notice from the Investor as of such third Trading Day, the Investor shall be deemed to have notified the Company that it does not elect to participate.

(d) If by 5:30 p.m. (Eastern Time) on the third Trading Day after the Investor has received the Pre-Notice, notification by the Investor of its willingness to participate in the Subsequent Financing (or to cause its designees to participate) has been provided (or three hours in the event such Subsequent Financing is a public offering off of a shelf registration statement), then the Company may effect the remaining portion of such Subsequent Financing on the terms and with the Persons set forth in the Subsequent Financing Notice.

(e) If by 5:30 p.m. (Eastern Time) on the fifth Trading Day after the Investor has received the Pre-Notice, the Company receives responses to a Subsequent Financing Notice from the Investor seeking to purchase more than the aggregate amount of the Participation Maximum, the Investor shall have the right to purchase up to the Participation Maximum, but not if such Subsequent Financing is a public offering off of a shelf registration statement.

(f) The Company must provide the Investor with a second Subsequent Financing Notice, and the Investor will again have the right of participation set forth above in this Section 4.11, if the Subsequent Financing subject to the initial Subsequent Financing Notice is not consummated for any reason on the terms set forth in such Subsequent Financing Notice within 45 days after the date of the initial Subsequent Financing Notice.

(g) The Company and the Investor agree that if the Investor elects to participate in the Subsequent Financing, the transaction documents related to the Subsequent Financing shall not include any term or provision that, directly or indirectly, will, or is intended to, exclude the Investor from participating in a Subsequent Financing, including, but not limited to, provisions whereby the Investor shall be required to agree to any restrictions on trading as to any securities of the Company or be required to consent to any amendment to or termination of, or grant any waiver, release or the like under or in connection with, this Agreement, without the prior written consent of the Investor.

(h) Notwithstanding anything to the contrary in this Section 4.11 and unless otherwise agreed to by the Investor, the Company shall either confirm in writing to the Investor that the transaction with respect to the Subsequent Financing has been abandoned or shall publicly disclose its intention to issue the securities in the Subsequent Financing, in either case in such a manner such that the Investor will not be in possession of any material, non-public information, by the 10th Business Day following delivery of the Subsequent Financing Notice. If by such 10th Business Day, no public disclosure regarding a transaction with respect to the Subsequent Financing has been made, and no notice regarding the abandonment of such transaction has been received by the Investor, such transaction shall be deemed to have been abandoned and the Investor shall not be deemed to be in possession of any material, non-public information with respect to the Company or any of its Subsidiaries.

(i) In addition, if while the Note is outstanding the Company receives cash proceeds from any financing including the sale of any securities or any commercial Indebtedness which is Permitted Indebtedness (as defined in the Note), the Investor shall have the option exercisable on at least three Trading Days prior written notice to cause the Company to use up to 25% of the net proceeds of any such financing to prepay all or part of the Note at its Principal Amount.

(j) This Section 4.11 shall not apply in respect of an Exempt Issuance.

4.12 Subsequent Equity Sales.

(a) From the date hereof until 180 days after the Closing, neither the Company nor any Subsidiary shall (i) issue, enter into any agreement to issue or sell shares of Common Stock or Common Stock Equivalents, including the granting of options or other rights to purchase Common Stock or Common Stock Equivalents to any Person other than directors and employees, except for an Exempt Issuance, including but not limited to any equity compensation plan, incentive plan or similar plan, or announce the issuance or proposed issuance of any shares of Common Stock or Common Stock Equivalents, or (ii) file any registration statement or any amendment or supplement thereto, in each case other than as contemplated pursuant to the Transaction Documents.

(b) From the date hereof until such time as the Investor does not hold any Note, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents (or a combination of units thereof) involving a Variable Rate Transaction. "Variable Rate Transaction" means any transaction in which the Company (i) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive, additional Common Stock where the future issuance of Common Stock at a price may vary including but not limited to (A) at a conversion price, exercise price or exchange rate or other price that is based upon, and/or varies with, the trading prices of or quotations for the Common Stock at any time after the initial issuance of such debt or equity securities or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock or (ii) enters into, or effects a transaction under, any agreement, whereby the Company may issue securities at a future determined price. The Investor consents to the Company using an at-the-market offering or equity line of credit as long as within two Business Days of receipt of any proceeds, the Company uses 50% of such proceeds to repay the Note with any such proceeds being first applied to Interest. The Company's right to use an equity line of credit shall require the Company to obtain the prior consent of the Investor which consent shall be withheld in the Investor's sole discretion if the terms are not as favorable as terms offered by the Investor. The Investor shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages.

(c) While any Note is outstanding, if the Company issues any equity option, warrant or similar instrument which contains an "alternative cashless exercise" provision that provides for the exercise of such security without payment of the exercise price in cash and does not require the security to be "in the money," the Investor shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages. In any Action brought under Section 4.13(a) or (b) to obtain injunctive relief, the Investor shall not have to prove irreparable harm or lack of adequate remedy at law and shall not be required to post a bond or other security.

4.13 Pre-Delivery Shares.

(a) Purchase Right. Subject to the Beneficial Ownership Limitation, beginning on the date on which no Note is outstanding, and for a period ending on the six-month anniversary of such date (the "**Purchase Right Period**"), the Investor will have the right, but not the obligation, to purchase all or any portion or portions of the Pre-Delivery Shares at the Fixed Conversion Price (as defined in the Note) as in effect (which for this purpose shall be determined as if the Note was still outstanding as of such time). Any such purchase shall be made in the manner and subject to the same procedure and mechanism set forth in the Note for conversions (including Section 4.4 thereof). The Investor hereby covenants and agrees that if the Investor holds any Pre-Delivery Shares after the end of the Purchase Right Period which have not been purchased pursuant to the Transaction Documents, such remaining Pre-Delivery Shares shall be deemed surrendered and cancelled by the Investor on such date subject to compliance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws.

(b) Registration of Pre-Delivery Shares. The Company shall register and maintain the registration of the sale and issuance and the Investor's resale of any Pre-Delivery Shares delivered pursuant to the Transaction Documents (including pursuant to the provisions of Section 4.4 of the Note) on the Registration Statement in accordance with the other provisions of this Agreement and the Note.

(c) Note Provisions. The Pre-Delivery Shares shall be subject to the provisions of the Note, including Section 4.4 of the Note, which provisions are incorporated herein by reference and which provisions shall survive the termination or expiration of the Note until the end of the Purchase Right Period.

(d) Pre-Delivery Shares Held In Abeyance. For the avoidance of doubt and subject to compliance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws, notwithstanding anything herein to the contrary, Pre-Delivery Shares shall not be issued under this Agreement or otherwise, and the Investor shall not be deemed to have the right to vote or dispose of any Pre-Delivery Shares or to beneficially own the Pre-Delivery Shares, to the extent such event would result in the Beneficial Ownership Limitation being exceeded, and in such case any such Excess Shares (as such term is defined in the Note) shall be held in abeyance for the benefit of the Investor until such time or times, if ever, as such issuance and the Investor's right thereto would not result in the Investor and its Affiliates exceeding the Beneficial Ownership Limitation, at which time or times the Company shall issue such Excess Shares to the Investor subject to and in accordance with this Agreement and the Note. For the avoidance of doubt, to the extent any of the initial Pre-Delivery Shares deliverable at the Closing under Section 2.2 would be in excess of the Beneficial Ownership Limitation if issued, such Pre-Delivery Shares shall not be issued and shall instead be held in abeyance and deemed to be Excess Shares for purposes hereof.

4.14 Certain Transactions and Confidentiality. The Investor, severally and not jointly with any other Investor, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company pursuant to the initial press release as described in Section 4.4, such Investor will maintain the confidentiality of the existence and terms of this transaction. Notwithstanding the foregoing and notwithstanding anything contained in this Agreement to the contrary, the Company expressly acknowledges and agrees that (i) no Investor makes any representation, warranty or covenant hereby that it will not engage in effecting transactions in any securities of the Company after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4, (ii) no Investor shall be restricted or prohibited from effecting any transactions in any securities of the Company in accordance with applicable securities Laws from and after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4 and (iii) no Investor shall have any duty of confidentiality or duty not to trade in the securities of the Company to the Company or its Subsidiaries, or any of their respective officers, directors, employees, Affiliates or agents, including, after the issuance of the initial press release as described in Section 4.4. Notwithstanding the foregoing, in the case of the Investor that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Investor's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Investor's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Note covered by this Agreement.

4.15 Capital Changes. From the date hereof until such time as the Investor does not hold any of the Note or the Conversion Shares, to the extent permissible under Cayman Islands law, the Company shall not undertake a share subdivision, share consolidation or reclassification of, or an increase to the par value of, the Common Stock without the prior written consent of the Investor, other than a reverse share split that is required, in the good faith determination of the Board of Directors, to maintain the listing of the Common Stock on the Principal Market. The Company shall use its reasonable best efforts, and otherwise in accordance with the applicable requirements of Cayman Islands law, to obtain requisite corporate approval of, and such documentation and further action as is required by the Cayman Islands for, a reverse share split within a pre-approved range to be determined at the discretion of the Board of Directors for purposes of maintaining compliance with the minimum bid price requirements of the Principal Market (a “**Pre-Approved Reverse Split**”). In addition, the Company shall use its best efforts to cause such Pre-Approved Reverse Split to be effected and reflected on the records of the Depository Trust Company and the Principal Market prior to the commencement of any delisting procedures in accordance with Principal Market Rules.

4.16 Acknowledgment of Dilution. The Company acknowledges that the issuance of the Note may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligations under the Transaction Documents, including, without limitation, its obligation to issue the Conversion Shares in accordance with the Note, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Company may have against the Investor and regardless of the dilutive effect that such issuance may have on the ownership of the other shareholders of the Company.

4.17 Form 6-K; Need to Conform Six Months Financial Statements. As long as the Securities are outstanding, the Company shall file a Form 6-K containing six months’ financial statements within 120 days of the end of the applicable six month period, and include in such Form 6-K footnotes to the financial statements and a complete Management’s Discussion and Analysis and Results of Operations and fully comply with Item 303 of Regulation S-K even though the Company is a foreign private issuer. Without limiting the generality of the foregoing, the Company shall file its annual report on Form 20-F containing financial information for the 12 months ending December 31, 2026, and in form and substance which adheres to the preceding sentence, on or before May 15, 2027.

4.18 Conversion Procedures. The form of Notice of Conversion included in the Note sets forth the totality of the procedures required of the Investor in order to convert the Note. No additional legal opinion, other information or instructions shall be required of the Investor to convert the Note. Without limiting the preceding sentences, no ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required in order to convert the Note. The Company shall honor conversion of the Note and shall deliver Conversion Shares in accordance with the terms, conditions and time periods set forth in the Transaction Documents.

4.19 Maintenance of DTC Eligibility. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.20 Compliance With Negative Covenants. The Company agrees that it shall not take any action to or cause any of its Subsidiaries to breach the negative covenants contained in the Note and any other Transaction Documents.

ARTICLE V. MISCELLANEOUS

5.1 Termination. This Agreement may be terminated by the Investor, as to such Investor's obligations hereunder only and without any effect whatsoever on the obligations between the Company and the other Investor, by written notice to the other parties, if the Closing has not been consummated on or before the fifth Trading Day following the date hereof; provided, however, that no such termination will affect the right of any party to sue for any breach by any other party (or parties).

5.2 Fees and Expenses. The Company shall reimburse the Investor's counsel for legal fees and expenses, of which \$25,000 has been paid in advance. The Investor may withhold from its Subscription Amount any fee and expenses due to its counsel at the Closing. Except as expressly set forth in the Transaction Documents to the contrary, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all Transfer Agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company and any exercise notice delivered by the Investor), stamp taxes and other taxes and duties levied in connection with the delivery of any Note to the Investor.

5.3 Entire Agreement. The Transaction Documents, together with the exhibits and schedules thereto, the Prospectus and the Prospectus Supplement, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

5.4 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of: (a) the time of transmission, if such notice or communication is delivered via facsimile at the facsimile number or email at the email address as set forth on the signature pages attached hereto at or prior to 5:30 p.m. (New York, New York time) on a Trading Day, (b) the next Trading Day after the time of transmission, if such notice or communication is delivered via facsimile at the facsimile number or email at the email address as set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York, New York time) on any Trading Day, (c) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (d) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be as set forth on the signature pages attached hereto. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the SEC pursuant to a Current Report on Form 6-K.

5.5 Amendments; Waivers. No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed, in the case of an amendment, by the Company and the Investor or, in the case of a waiver, by the party against whom enforcement of any such waived provision is sought, provided that if any amendment, modification or waiver disproportionately and adversely impacts the Investor, the consent of such disproportionately impacted Investor shall also be required. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right. Any amendment effected in accordance with this Section 5.5 shall be binding upon the Investor and holder of Note and the Company.

5.6 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.7 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of each Investor (other than by merger). Any Investor may assign any or all of its rights under this Agreement to any Person to whom such Investor assigns or transfers any Note, provided that such transferee agrees in writing to be bound, with respect to the transferred Note, by the provisions of the Transaction Documents that apply to the "Investor."

5.8 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth in Section 4.8 and this Section 5.8.

5.9 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal Laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in New York County, New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts located in New York County, New York for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action or Proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such Action or Proceeding is improper or is an inconvenient venue for such Proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such Action or Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by Law. If any party shall commence an Action or Proceeding to enforce any provisions of the Transaction Documents, then, in addition to the obligations of the Company under Section 4.8, the prevailing party in such Action or Proceeding shall be reimbursed by the non-prevailing party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such Action or Proceeding.

5.10 Survival. The representations and warranties contained herein shall survive the Closing and the delivery of the Note.

5.11 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

5.12 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.13 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever the Investor exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then the Investor may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights; provided, however, that, in the case of a rescission of a conversion of a Note, the applicable Investor shall be required to return any shares of Common Stock subject to any such rescinded exercise notice concurrently with the return to such Investor of the aggregate exercise price paid to the Company for such shares and the restoration of such Investor's right to acquire such Conversion Shares pursuant to such Investor's Note (including, issuance of a Note, if applicable, evidencing such restored right).

5.14 Replacement of Note. No bond or similar instrument shall be required.

5.15 Remedies. In addition to being entitled to exercise all rights provided herein or granted by Law, including recovery of damages, each of the Investor and the Company will be entitled to specific performance under the Transaction Documents. 5.17. Reserved.

5.18 Liquidated Damages. The Company's obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated damages or other amounts are due and payable shall have been canceled.

5.19 Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.20 **Construction.** The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement.

5.21 **Waiver of Jury Trial.** In any action, suit, or proceeding in any jurisdiction brought by any party against any other party, the parties each knowingly and intentionally, to the greatest extent permitted by applicable law, hereby absolutely, unconditionally, irrevocably and expressly waives forever trial by jury.

In exchange for delivery of this Note on the Original Issuance Date referred to above (the “Original Issuance Date”), the Holder shall lend the Maker \$4,000,000 in United States dollars net of an original issuance discount of \$347,826.

Unless earlier converted pursuant to the terms of Article 3, the Maturity Date of this Note shall be 12 months from the Original Issuance Date of this Note, which is specified above, unless the Holder has given notice to the Maker that it elects to accelerate the Maturity Date to the extent explicitly permitted by this Note (the “Maturity Date”). The Maturity Date is the date upon which the Principal and other amounts shall be due and payable unless earlier due or prepaid or converted. This Note may not be repaid in whole or in part except as otherwise explicitly set forth herein.

This Note is secured by a first priority security interest pursuant to the Security Agreement and the Pledge Agreement in each case as defined in and in the form attached as an exhibit to the Purchase Agreement. The full amount of this Note and all the cash payment obligations of the Company under the Transaction Documents is and shall be guaranteed in full by each Subsidiary, pursuant to the Guarantee Agreement as defined in and in the form attached as an exhibit to the Purchase Agreement.

ARTICLE 1

1.1 Purchase Agreement. This Note has been executed and delivered pursuant to, and is issued pursuant to, the Securities Purchase Agreement entered into by and between the Company and the Holder dated as of Original Issuance Date set forth above (the “Purchase Agreement”), and is subject to, and incorporates, the provisions of the Purchase Agreement.

1.2 Interest. This Note has been issued with an original issue discount and no interest shall accrue hereunder prior to the occurrence of an Event of Default. From and after the occurrence and during the continuance of any Event of Default, interest shall accrue hereunder at a rate equal to 15% per annum or, if less, the highest amount permitted by Law (such interest upon an Event of Default shall be referred to as “Interest” or “Default Interest” and such interest rate, the “Default Rate”), shall compound monthly based upon a 360-day year, and shall be due and payable on the first Trading Day of each month during the continuance of such Event of Default (a “Default Interest Payment Date”). In the event that such Event of Default is subsequently cured and no other Event of Default then exists (including, without limitation, for the Company’s failure to pay such Default Interest on the applicable Default Interest Payment Date), the Default Interest shall cease to accrue hereunder as of the day immediately following the date of such cure; provided that the Interest as calculated and unpaid at such increased rate during the continuance of such Event of Default shall continue to apply to the extent relating to the days after the occurrence of such Event of Default through and including the date of such cure of such Event of Default.

1.3 Holder Prepayment Election Upon Subsequent Financing. If following the Original Issuance Date while this Note is outstanding, the Maker directly or indirectly receives proceeds from and closes any kind of financing including through the issuance of any equity securities or Indebtedness except for an Exempt Issuance, the Maker shall give written notice to the Holder within one Trading Day, and the Holder within 10 Trading Days after receipt of such written notice may require the Company to use up to 25% of the net proceeds of any such financing (other than proceeds received from an Affiliate of the Company), or 50% of the net proceeds in the case of an at-the-market offering or equity line of credit, to prepay the Principal and any accrued and unpaid interest, pursuant to which the Company shall pay the Holder an amount equal to the Principal plus accrued and unpaid interest being prepaid.

1.4 Company Prepayment. In addition to Section 1.3, at any time after the Original Issuance Date and provided that as of such time: (A) no Event of Default has occurred, (B) the closing prices of the Common stock are below or equal to 115% of the Fixed Conversion Price, (C) the Equity Conditions are then met and (D) the Maker and the Holder mutually consent, the Maker may prepay all of the outstanding Principal and any accrued and unpaid interest (as applicable, the “Principal Amount”) upon at least 10 Trading Days’ written notice to the Holder (the “Prepayment Notice”) by paying an amount equal to 115% of the Principal Amount being prepaid (representing a 15% prepayment premium) (as applicable, the (the “Prepayment Amount”). If the Maker elects to prepay this Note pursuant to the provisions of this Section 1.4, the Holder shall have the right, upon written notice to the Maker within 10 Trading Days following the Prepayment Notice (such notice, a “Prepayment Conversion Notice” and such 10 Trading Day period, the “Prepayment Notice Period”) provided to the Maker at any time during the Prepayment Notice Period, to convert up to one-third of the Principal Amount at the Conversion Price (as defined below), in accordance with the provisions of Article 3, specifying the portion of the Principal Amount that the Holder will convert, provided, however, that such conversion is by mutual consent of the Maker and the Holder. Upon delivery of a Prepayment Notice, the Maker irrevocably and unconditionally agrees to: (i) issue the applicable Conversion Shares to the Holder in accordance with Article 3 with respect to any Prepayment Conversion Notice, and (ii) immediately following the end of the Prepayment Notice Period, prepay the remaining outstanding Principal Amount. The foregoing notwithstanding, the Maker may not deliver a Prepayment Notice with respect to any outstanding Principal Amount that is subject to a Conversion Notice delivered by the Holder in accordance with Article 3. Notwithstanding anything to the contrary contained herein, any prepayments made under this Note, including the provisions of this Section 1.4, shall be subject in all cases to the terms of the Purchase Agreement. If any of the Equity Conditions shall cease to be satisfied at any time during the Prepayment Notice Period or if an Event of Default occurs, then the Holder may elect to nullify the Prepayment Notice by notice to the Company within three Trading Days after the first day on which any such Equity Condition has not been met or Event of Default has occurred (provided that if, by a provision of the Transaction Documents, the Company is obligated to notify the Holder of the non-existence of an Equity Condition, such notice period shall be extended to the third Trading Day after proper notice from the Company) in which case the Prepayment Notice shall be null and void, ab initio. The Company covenants and agrees that it will honor all Conversion Notices tendered from the time of delivery of the Prepayment Notice through the date all amounts owing thereon are due and paid in full.

The Holder shall not be required to post a bond or other security.

1.6 Status of Note. As of the Closing Date, the Company has no secured Indebtedness that would rank senior to this Note in right of payment. The obligations of the Maker under this Note shall rank senior to all existing and future Indebtedness and equity of the Company and are secured by the first lien security interest in the Collateral (as defined in the Security Agreement) pursuant to the Security Documents, other than any Additional Note(s) with which the obligations under this Note shall rank pari passu pursuant to the terms of the Security Documents. Upon any Liquidation Event (as hereinafter defined), but subject in all cases to the Purchase Agreement, the Holder will be entitled to receive, before any distribution or payment is made upon, or set apart with respect to, any Indebtedness of the Maker ranking junior to this Note in right of payment, an amount equal to the outstanding Principal, Interest and any other sums due. For purposes of this Note, "Liquidation Event" means merger or consolidation of the Company with another entity in which the Company is not the surviving entity (except where the sole purpose is to change the domicile of the Company), the sale of all or substantially all of the assets of the Company in one or more related transactions, a liquidation pursuant to a filing of a petition for bankruptcy under applicable Law or any other insolvency or debtor's relief Laws, an assignment for the benefit of creditors, a determination by a Governmental Authority that the Company (which includes its Subsidiaries) cannot carry on its business substantially consistent with the prior ordinary course of its business, or a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Maker.

In lieu of delivering physical certificates for the Common Stock issuable upon any conversion of this Note, provided the Company's transfer agent (the "Transfer Agent") is participating in the Depository Trust Company ("DTC") DTC Fast Automated Securities Transfer Program ("FAST") or a similar program, upon request of the Holder, the Company shall cause the Transfer Agent to electronically transmit such Conversion Shares issuable upon conversion of this Note to the Holder (or its designee), by crediting the account of the Holder's (or such designee's) broker with DTC through its Deposit Withdrawal At Custodian system (provided that the same time periods herein as for stock certificates shall apply) as instructed by the Holder (or its designee).

(b) Obligation Absolute. The Company's obligations to issue and deliver the Conversion Shares upon conversion of this Note in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of Law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of such Conversion Shares; provided that nothing in this Section 3.2(b) shall require the Company to issue shares of Common Stock in contravention of the Companies Act (As Revised) of the Cayman Islands or at a price below the par value of such shares; provided, however, that such delivery shall not operate as a waiver by the Company of any such action the Company may have against the Holder. In the event the Holder of this Note shall elect to convert any or all of the outstanding Principal and any accrued and unpaid Interest thereon (if any) hereof, the Company may not refuse conversion based on any claim that the Holder or anyone associated or affiliated with the Holder has been engaged in any violation of Law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining and or enjoining conversion of all or part of this Note shall have been sought and obtained, and the Company posts a surety bond for the benefit of the Holder in the amount of 150% of the outstanding Principal and any accrued and unpaid Interest thereon (if any) of this Note, which is subject to the injunction, which bond shall remain in effect until the completion of litigation of the underlying dispute and the proceeds of which shall be payable to the Holder to the extent it obtains judgment. In the absence of such injunction, the Company shall issue the Conversion Shares or, if applicable, cash, upon delivery of a Conversion Notice.

(c) The Company's Failure to Timely Convert.

(i) If the Company shall fail for any reason or for no reason, on or prior to the applicable Share Delivery Date, if the Transfer Agent is not participating in FAST, to issue and deliver to the Holder (or its designee) a certificate for the number of Conversion Shares to which the Holder is entitled and register such Conversion Shares on the Company's register of members or, if the Transfer Agent is participating in FAST, to credit the balance account of the Holder or the Holder's designee with DTC for such number of Conversion Shares to which the Holder is entitled upon the Holder's conversion of this Note (as the case may be) (a "Conversion Failure"), then, in addition to all other remedies available to the Holder, the Holder may by notice to the Company (in lieu of receiving such Conversion Shares subject to such Conversion Failure), require the Company to prepay, in cash, the Conversion Amount in such Conversion Failure at a prepayment price equal to the higher of (i) Mandatory Default Amount with respect to such Conversion Amount arising from such Conversion Failure and (ii) the number of shares of Common Stock that the Maker is unable to issue multiplied by the higher of (A) the Fixed Conversion Price and (B) the VWAP as of the date of the Conversion Notice (the "Mandatory Prepayment Price").

(ii) In addition to the foregoing, if on or prior to the Share Delivery Date, if the Transfer Agent is not participating in FAST, the Company shall fail to issue and deliver to the Holder (or its designee) a certificate and register such shares of Common Stock on the Company's register of members or, if the Transfer Agent is participating in FAST, the Transfer Agent shall fail to credit the balance account of the Holder or the Holder's designee with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion hereunder or pursuant to the Company's obligation pursuant to clause (II) below, and if on or after such Share Delivery Date the Holder acquires (in an open market transaction, stock loan or otherwise) shares of Common Stock corresponding to all or any portion of the number of shares of Common Stock issuable upon such conversion that the Holder is entitled to receive from the Company and has not received from the Company in connection with such failure, as applicable (a "Buy-In"), then, in addition to all other remedies available to the Holder, the Company shall, within two Trading Days after receipt of the Holder's request and in the Holder's discretion, either: (I) pay cash to the Holder in an amount equal to the Holder's total purchase price (including brokerage commissions and/or markups, stock loan costs and other out-of-pocket expenses, if any) for the shares of Common Stock so acquired (including, without limitation, by any other Person on behalf, of the Holder) (the "Buy-In Price"), at which point the Company's obligation to so issue and deliver such certificate (and to issue such shares of Common Stock) or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion hereunder (as the case may be) (and to issue such shares of Common Stock) shall terminate, or (II) promptly honor its obligation to so issue and deliver to the Holder a certificate or certificates representing such shares of Common Stock or credit the balance account of such Holder or such Holder's designee, as applicable, with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder's conversion hereunder (as the case may be) and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (x) such number of shares of Common Stock multiplied by (y) the lowest closing sale price of the Common Stock on any Trading Day during the period commencing on the date of the applicable Conversion Notice and ending on the date of such issuance and payment under this clause (II) (the "Buy-In Payment Amount"). For the avoidance of doubt, subject to Section 3.2(c)(i), the Holder's right to the Buy-In Payment Amount shall apply regardless of whether the applicable failure constitutes a Conversion Failure.

(iii) In the event of a Conversion Failure, the Maker shall pay to the Holder, in cash, (i) as partial liquidated damages and not as a penalty, for each \$1,000 of the Conversion Amount, \$10 per Trading Day (increasing to \$20 per Trading Day five Trading Days after such damages have begun to accrue) for each Trading Day after the Share Delivery Date until the number of shares of Common Stock the Holder shall be entitled on such conversion has been delivered to the Holder. Nothing shall limit the Holder's right to pursue any other remedies available to it hereunder, at Law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the conversion of this Note as required pursuant to the terms hereof.

(d) Conversion Priority. In the event that the Company receives a Conversion Notice from the Holder and any holders of Options or other Convertible Securities for the same Conversion Date and the Company can effect the conversion and exercise of some, but not all, of such portions of the Note, Options or other Convertible Securities submitted for conversion and exercise, the Company, subject to this Section 3.2(d), shall (i) first effect the conversion of the entire Conversion Amount submitted for conversion on such date by the Holder, and (ii) once the Holder's Conversion Notice has been fully satisfied shall thereafter effect the exercise and conversion from each holder of Options or other Convertible Securities electing to have Options or other Convertible Securities exercised or converted on such date (other than the Note).

(e) Beneficial Ownership Limitation. The Company shall not effect the conversion of any portion of this Note, and the Holder shall not have the right to convert any portion of this Note pursuant to the terms and conditions of this Note and any such conversion shall be null and void and treated as if never made, to the extent that after giving effect to such conversion, the Holder together with the other Attribution Parties collectively would beneficially own in excess of 9.99% (the “Beneficial Ownership Limitation”) of the shares of Common Stock outstanding immediately after giving effect to such conversion. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by the Holder and the other Attribution Parties shall include the number of shares of Common Stock held by the Holder and all other Attribution Parties plus the number of shares of Common Stock issuable upon conversion of this Note with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock which would be issuable upon (A) conversion of the remaining, non-converted portion of this Note beneficially owned by the Holder or any of the other Attribution Parties and (B) exercise or conversion of the unexercised or non-converted portion of any other securities of the Company (including, without limitation, any convertible notes or convertible preferred stock or warrants) beneficially owned by the Holder or any other Attribution Party subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 3.2(e). For purposes of this Section 3.2(e) and Rule 13d-3 thereunder, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act. For purposes of determining the number of outstanding shares of Common Stock the Holder may acquire upon the conversion of this Note without exceeding the Beneficial Ownership Limitation, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (x) the Company’s most recent annual or periodic report on Form 20-F, Current Report on Form 6-K or other public filing with the SEC, as the case may be, (y) a more recent public announcement by the Company or (z) any other written notice by the Company or the Transfer Agent, if any, setting forth the number of shares of Common Stock outstanding (the “Reported Outstanding Share Number”). If the Company receives a Conversion Notice from the Holder at a time when the actual number of outstanding shares of Common Stock is less than the Reported Outstanding Share Number, the Company shall notify the Holder in writing of the number of shares of Common Stock then outstanding and, to the extent that such Conversion Notice would otherwise cause the Holder’s beneficial ownership, as determined pursuant to this Section 3.2(e), to exceed the Beneficial Ownership Limitation, such Conversion Notice shall be null and void and the Holder shall provide the Company with a new Conversion Notice reflecting a reduced number of shares of Common Stock to be issued pursuant to such Conversion Notice. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one Trading Day confirm orally and in writing or by electronic mail to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Note, by the Holder and any other Attribution Party since the date as of which the Reported Outstanding Share Number was reported. In the event that the issuance of shares of Common Stock to the Holder upon conversion of this Note results in the Holder and the other Attribution Parties being deemed to beneficially own, in the aggregate, more than the Beneficial Ownership Limitation of the number of outstanding shares of Common Stock (as determined under Section 13(d) of the Exchange Act and Rule 13d-3 thereunder), the number of shares so issued by which the Holder’s and the other Attribution Parties’ aggregate beneficial ownership exceeds the Beneficial Ownership Limitation (the “Excess Shares”) shall be deemed null and void ab initio, the Holder shall not have the power to vote or sell the Conversion Shares and they shall be cancelled in accordance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws. Furthermore, the Company shall indemnify the Holder in accordance with the Purchase Agreement, if the Holder suffers any damages including attorneys fees, claims or losses as a result of Excess Shares being issued. Upon delivery of a written notice to the Company, the Holder may from time to time increase (with such increase not effective until the 61st day after delivery of such notice) or decrease the Beneficial Ownership Limitation to any other percentage not in excess of 9.99% as specified in such notice; provided that (i) any such increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company; (ii) any such increase or decrease will apply only to the Holder and the other Attribution Parties; and (iii) any increase will only apply if the Beneficial Ownership Limitation subject to such an increase is less than 9.99%. For purposes of clarity, the shares of Common Stock issuable pursuant to the terms of this Note in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rules 13d-3 and 16a-1(a)(1) of the Exchange Act. No prior inability to convert this Note pursuant to this Section 3.2(e) shall have any effect on the applicability of the provisions of this Section 3.2(e) with respect to any subsequent determination of convertibility. The provisions of this Section 3.2(e) shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3. 2(e) to the extent necessary to correct any provision which may be defective or inconsistent with the intended beneficial ownership limitation contained in this Section 3.2(e) or to make changes or supplements necessary or desirable to properly give effect to such limitation. This Section 3.2(e) may not be waived or amended, and shall apply to a successor holder of this Note. In connection with each conversion of the Note, the Holder shall represent that it is not exceeding the Beneficial Ownership Limitation as a result of such conversion.

(f) If shares of Common Stock are not delivered within the Standard Settlement Period in accordance with this Note as a result of any action or inaction by the Company's Transfer Agent, then the Holder shall have the right, by giving 30 days' advance written notice, to request that the Company terminate the Transfer Agent and hire a replacement Transfer Agent, and the Company shall use its best efforts to effect such replacement as soon as possible and in any event by the end of such 30-day period.

3.3 Adjustment of Fixed Conversion Price.

(a) Until this Note has been paid in full or converted in full, the Fixed Conversion Price shall be subject to adjustment from time-to-time (but shall not be increased, other than pursuant to a combination) as follows:

(i) Adjustments for Stock Splits and Combinations. If the Maker shall at any time or from time-to-time after the Original Issuance Date effect a forward stock split of the outstanding Common Stock or pays a dividend or distribution in Common Stock to holders of its Common Stock, the applicable Fixed Conversion Price in effect immediately prior to such event shall be proportionately decreased. If the Maker shall at any time or from time-to-time after the Original Issuance Date, effect a combination or reverse stock split of the outstanding Common Stock, the applicable Fixed Conversion Price in effect immediately prior to such event shall be proportionately increased. Any adjustments under this Section 3.3(a)(i) shall be effective at the close of business on the date the applicable event occurs, which will be the date on which the applicable event is reflected on the books and records of each of the Transfer Agent and in the trading of the Common Stock on the Principal Market (the "Event Date"). All such determinations shall be appropriately adjusted for any stock dividend, stock split, stock combination, reverse stock split, recapitalization or other similar transaction during such period.

(ii) Adjustment for Other Dividends and Distributions. If the Maker shall at any time or from time to time after the Closing Date (but whether before or after the Original Issuance Date) make or issue or set a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in property other than Common Stock, then, and in each event, an appropriate revision to the applicable Fixed Conversion Price shall be made and provision shall be made (by adjustments of the Fixed Conversion Price or otherwise) so that the Holder of this Note shall receive upon conversions thereof, in addition to the number of shares of Common Stock receivable thereon, the number of securities of the Maker or other issuer (as applicable) or other property that it would have received had this Note been converted into Common Stock in full (without regard to any conversion limitations herein) on the date of such event and had thereafter, during the period from the date of such event to and including the Conversion Date, retained such securities (together with any distributions payable thereon during such period) or assets, giving application to all adjustments called for during such period under this Section 3.3(a)(ii) with respect to the rights of the holders of this Note; provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Fixed Conversion Price shall be adjusted pursuant to this Section 3.3(a)(ii) as of the time of actual payment of such dividends or distributions.

(iii) Adjustments for Reclassification, Exchange or Substitution. If the Common Stock at any time or from time-to-time after the Closing Date (but whether before or after the Original Issuance Date) shall be changed to the same or different number of shares or other securities of any class or classes of stock or other property, whether by reclassification, exchange, substitution or otherwise (other than by way of a stock split or combination of shares or stock dividends provided for in Section 3.3(a)(i) hereof), then, and in each event, an appropriate revision to the Fixed Conversion Price shall be made and provisions shall be made (by adjustments of the Fixed Conversion Price or otherwise) so that the Holder shall have the right thereafter to convert this Note into the kind and amount of shares of stock or other securities or other property receivable upon reclassification, exchange, substitution or other change, by holders of the number of shares of Common Stock into which such Note might have been converted immediately prior to such reclassification, exchange, substitution or other change, all subject to further adjustment as provided herein.

(iv) Rights Upon Issuance of Other Securities.

(1) Adjustment of Fixed Conversion Price upon Issuance of Common Stock. If and whenever on or after the Original Issuance Date the Company issues or sells, or in accordance with this Section 3.3(a)(iv) is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding any Exempt Issuance, for a consideration per share (the “Dilutive Issuance Price”) less than a price equal to the Fixed Conversion Price in effect immediately prior to such issuance or sale or deemed issuance or sale (such Fixed Conversion Price then in effect is referred to herein as the “Applicable Price”) (the foregoing a “Dilutive Issuance”), then, immediately after such Dilutive Issuance, the Fixed Conversion Price then in effect shall be reduced to the Dilutive Issuance Price. For all purposes of the foregoing (including, without limitation, determining the adjusted Fixed Conversion Price and the Dilutive Issuance Price under this Section 3.3(a)(iv)), the following shall be applicable:

(2) Issuance of Options. If the Company in any manner grants or sells any options or rights to acquire Common Stock or Convertible Securities (“Options”) (other than pursuant to any Exempt Issuance) and the lowest price per share for which one share of Common Stock is at any time issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option or otherwise pursuant to the terms thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share, excluding any transactions involving an Exempt Issuance. For purposes of this Section 3.3(a)(iv) the “lowest price per share for which one share of Common Stock is at any time issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option or otherwise pursuant to the terms thereof” shall be equal to (1) the lower of (x) the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the granting or sale of such Option, upon exercise of such Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option or otherwise pursuant to the terms thereof or (y) the lowest exercise price set forth in such Option for which one share of Common Stock is issuable (or may become issuable assuming all possible market conditions) upon the exercise of any such Options or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option or otherwise pursuant to the terms thereof, minus (2) the sum of all amounts paid or payable to the holder of such Option (or any other Person) with respect to any one share of Common Stock (on a fully-diluted basis) upon the granting or sale of such Option, upon exercise of such Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option or otherwise pursuant to the terms thereof plus the value of any other consideration received or receivable by, or benefit conferred on, the holder of such Option (or any other Person) with respect to any one share of Common Stock (on a fully-diluted basis). Except as contemplated below, no further adjustment of the Fixed Conversion Price shall be made upon the actual issuance of such share of Common Stock or of such Convertible Securities upon the exercise of such Options or otherwise pursuant to the terms thereof or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(3) Issuance of Convertible Securities. If the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is at any time issuable upon the conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 3.3(a)(iv), the “lowest price per share for which one share of Common Stock is at any time issuable upon the conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof” shall be equal to (1) the lower of (x) the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security or otherwise pursuant to the terms thereof and (y) the lowest conversion price set forth in such Convertible Security for which one share of Common Stock is issuable (or may become issuable assuming all possible market conditions) upon conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof, minus (2) the sum of all amounts paid or payable to the holder of such Convertible Security (or any other Person) with respect to any one share of Common Stock (on a fully-diluted basis) upon the issuance or sale of such Convertible Security plus the value of any other consideration received or receivable by, or benefit conferred on, the holder of such Convertible Security (or any other Person) with respect to any one share of Common Stock (on a fully-diluted basis). Except as contemplated below, no further adjustment of the Fixed Conversion Price shall be made upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities or otherwise pursuant to the terms thereof, and if any such issuance or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of the Fixed Conversion Price has been or is to be made pursuant to other provisions of this Section 3.3(a)(iv), except as contemplated below, no further adjustment of the Fixed Conversion Price shall be made by reason of such issuance or sale.

(4) Change in Option Price or Rate of Conversion. If the purchase or exercise price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock decreases at any time (other than proportional changes in connection with an event referred to Section 3.3(a)(i) above), the Fixed Conversion Price in effect at the time of such decrease shall be adjusted to the Fixed Conversion Price which would have been in effect at such time had such Options or Convertible Securities provided for such decreased purchase price, additional consideration or decreased conversion rate (as the case may be) at the time initially granted, issued or sold. For purposes of this Section 3.3(a)(iv), if the terms of any Option or Convertible Security that was outstanding as of the Original Issuance Date are decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such decrease. No adjustment pursuant to this Section 3.3(a)(iv) shall be made if such adjustment would result in an increase of the Fixed Conversion Price then in effect.

(5) Issuances of Units. If any Option and/or Convertible Security and/or is issued in connection with the issuance or sale or deemed issuance or sale of any other securities of the Company (as determined by the Holder, the “Primary Security”, and such Option and/or Convertible Security, the “Secondary Securities” and together with the Primary Security, each a “Unit”), together comprising one integrated transaction (or one or more transactions if such issuances or sales or deemed issuances or sales of securities of the Company either (A) have at least one investor or purchaser in common, (B) are consummated in reasonable proximity to each other and/or (C) are consummated under the same plan of financing), the “lowest price per share for which one share of Common Stock is at any time issuable upon the conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof” with respect to such Primary Security shall be deemed to be equal to the lower of (x) the purchase price per Unit, (y) the lowest price per share for which one share of Common Stock is at any time issuable upon the exercise or conversion of either of the Primary Security or the Secondary Security, and (z) the lowest VWAP of the Common Stock on any Trading Day during the five Trading Day period (the “Adjustment Period”) immediately following the public announcement of such issuance or sale (for the avoidance of doubt, if such public announcement is released prior to the opening of the principal Trading Market of the Common Stock on a Trading Day, such Trading Day shall be the first Trading Day in such five Trading Day period and if this Note is converted, on any given Conversion Date during any such Adjustment Period, solely with respect to such portion of this Note converted on such applicable Conversion Date, such applicable Adjustment Period shall be deemed to have ended on, and included, the Trading Day immediately prior to such Conversion Date). If any shares of Common Stock, Options (other than Exempt Issuances) or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor (for the purpose of determining the consideration paid for such Common Stock, Option or Convertible Security) will be deemed to be the net amount of consideration received by the Company therefor. If any shares of Common Stock, Options (other than Exempt Issuances) or Convertible Securities are issued or sold for a consideration other than cash, the amount of such consideration received by the Company (for the purpose of determining the consideration paid for such Common Stock, Option or Convertible Security) will be the fair value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Company for such securities will be the arithmetic average of the VWAPs of such security for each of the five Trading Days immediately preceding the date of receipt. If any shares of Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving entity, the amount of consideration therefor (for the purpose of determining the consideration paid for such Common Stock, Option or Convertible Security) will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock, Options or Convertible Securities (as the case may be). The fair value of any consideration other than cash or publicly traded securities will be determined jointly by the Company and the Holder. If such parties are unable to reach agreement within 10 days after the occurrence of an event requiring valuation (the “Valuation Event”) in this Section 3.3(a)(iv), the fair value of such consideration will be determined within five Trading Days after the 10th day following such Valuation Event by an independent, reputable appraiser jointly selected by the Company and the Holder. The determination of such appraiser shall be final and binding upon all parties absent manifest error and the fees and expenses of such appraiser shall be borne by the Company. For the avoidance of doubt, in the event of a transaction provided in this Section 3.3(a)(iv), the calculation of the consideration per share for the Secondary Securities shall be as provided in Section 3.3(a)(iv)(2) and/or (3), as applicable.

(6) Record Date. If the Company takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issuance or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase (as the case may be); provided, however, that, if the Company shall at any time set a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or to subscribe for or purchase shares of Common Stock, Options or in Convertible Securities and (A) such dividend is not fully paid or if such distribution is not fully made, or the subscription rights are not fully granted, on the date fixed therefor, the Fixed Conversion Price shall be adjusted pursuant to this Section 3.3(a)(iv) as of the time of actual payment of such dividends or distributions or the effectiveness of such subscription rights or (B) the Company shall subsequently rescind or otherwise cancel or determine not to make such dividend or distribution or to grant such subscription rights, then any adjustment to the Fixed Conversion Price made pursuant to this Section 3.3(a)(iv) with respect to the fixing of such record date shall be reversed and of no further force or effect as of the date of the Company's public announcement that it is rescinding or otherwise canceling or determining not making such dividend or distribution or the grant of such subscription rights.

(b) Fractional Shares; Fractional Amounts. The Company shall not issue any fractional shares and shall round such fractional shares up to the nearest whole share. If any adjustments to the Fixed Conversion Price under this Section 3.3 result in a fractional amount, the fractional amount shall be rounded down to the nearest whole cent.

(c) No Impairment. The Maker shall not, directly or indirectly, by amendment of its Charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Maker, but will at all times in good faith carry out all of the provisions of this Section 3.3 and take such actions as may be necessary or appropriate in order to protect the conversion rights of the Holder against impairment. In the event the Holder shall elect to convert this Note as provided herein, the Maker cannot refuse conversion based on any claim that the Holder or anyone associated or affiliated with the Holder has been engaged in any violation of Law, violation of an agreement to which the Holder is a party or for any reason whatsoever, unless, an injunction from a court on prior notice, enjoining conversion of this Note shall have issued and the Maker posts a surety bond for the benefit of the Holder in an amount equal to 150% of the Principal of the Note which the Holder has elected to convert, which bond shall remain in effect until the completion of litigation of the dispute and the proceeds of which shall be payable to the Holder (as liquidated damages) in the event it obtains a judgment.

(d) Certificates as to Adjustments. Upon occurrence of each adjustment or readjustment of the Fixed Conversion Price or number of shares of Common Stock issuable upon conversion of this Note pursuant to this Section 3.3, the Maker at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to the Holder a certificate setting forth such adjustment and readjustment, showing in detail the facts upon which such adjustment or readjustment is based. The Maker shall, upon written request of the Holder, at any time, furnish or cause to be furnished to the Holder a like certificate setting forth such adjustments and readjustments, the applicable Fixed Conversion Price in effect at the time, and the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon the conversion of this Note. Notwithstanding the foregoing, the Maker shall not be obligated to deliver a certificate unless such certificate would reflect an increase or decrease of at least one percent of such adjusted amount.

(e) Issuance Taxes. The Maker shall pay any and all issuance and other taxes, excluding federal, state or local income taxes, that may be payable in respect of any issue or delivery of Common Stock on conversion of this Note pursuant thereto; provided, however, that the Maker shall not be obligated to pay any transfer taxes resulting from any transfer requested by the Holder in connection with any such conversion.

(f) Reservation of Common Stock. The Maker shall at all times while this Note shall be outstanding, reserve and keep available out of its authorized but unissued Common Stock the Required Minimum of Common Stock (disregarding for this purpose any and all limitations of any kind on such conversion including the Beneficial Ownership Limitation). The Maker shall, from time-to-time, increase the authorized number of shares of Common Stock or take other effective action if at any time the unissued number of authorized shares shall not be sufficient to satisfy the Maker's obligations under this Section 3.3(f).

(g) Regulatory Compliance. If any Common Stock to be reserved for the purpose of conversion of this Note requires registration or listing with or approval of any Governmental Authority, national securities exchange or other regulatory body under any federal or state Law or regulation or otherwise before such shares may be validly issued or delivered upon conversion, the Maker shall, at its sole cost and expense, in good faith and as expeditiously as possible, secure such registration, listing or approval, as the case may be.

3.4 Rights Upon Fundamental Transaction

(a) Assumption. The Company shall not enter into or be party to a Fundamental Transaction unless (i) the Person (which may be the Company) formed by, resulting from or surviving any Fundamental Transaction or the Person with which such Fundamental Transaction shall have been entered into (the "Successor Entity") assumes in writing all of the obligations of the Company under this Note and the other Transaction Documents in accordance with the provisions of this Section 3.4(a) pursuant to written agreements in form and substance satisfactory to the Holder and approved by the Holder prior to such Fundamental Transaction, including agreements to deliver to the Holder in exchange for the Note a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to the Note satisfactory to the Holder, including, without limitation, having Principal and Interest equal to the Principal then outstanding and any accrued and unpaid Interest thereon (if any) of the Note held by the Holder, having similar conversion rights as the Note and having similar ranking and security to the Note, and (ii) the Successor Entity (including its parent entity) is a publicly-traded corporation whose common stock is listed for trading on a national securities exchange operated by The Nasdaq Stock Market, LLC or the New York Stock Exchange. Upon the occurrence of any Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Note and the other Transaction Documents referring to the "Company" or the "Maker" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Note and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Upon consummation of a Fundamental Transaction, the Successor Entity shall deliver to the Holder confirmation that there shall be issued upon conversion or prepayment of this Note at any time after the consummation of such Fundamental Transaction, in lieu of the shares of Common Stock issuable upon the conversion or prepayment of the Note prior to such Fundamental Transaction, such shares of the publicly-traded common stock (or their equivalent) of the Successor Entity (including its parent entity) which the Holder would have been entitled to receive upon the happening of such Fundamental Transaction had this Note been converted immediately prior to such Fundamental Transaction (without regard to any limitations on the conversion of this Note), as adjusted in accordance with the provisions of this Note. Notwithstanding the foregoing, the Holder may elect, at its sole option, by delivery of written notice to the Company to waive this Section 3.4(a) to permit the Fundamental Transaction without the assumption of this Note. The provisions of this Section 3.4(a) shall apply similarly and equally to successive Fundamental Transactions and shall be applied without regard to any limitations on the conversion of this Note.

(b) Other Corporate Events. In addition to and not in substitution for any other rights hereunder, prior to the consummation of any Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities or other assets with respect to or in exchange for shares of Common Stock (a “Corporate Event”), the Company shall make appropriate provision to ensure that the Holder will thereafter have the right to receive upon a conversion of this Note, at the Holder’s option, (i) in addition to the shares of Common Stock receivable upon such conversion, such securities or other assets to which the Holder would have been entitled with respect to such shares of Common Stock had such shares of Common Stock been held by the Holder upon the consummation of such Corporate Event (without taking into account any limitations or restrictions on the convertibility of this Note) or (ii) in lieu of the shares of Common Stock otherwise receivable upon such conversion, such securities or other assets received by the holders of shares of Common Stock in connection with the consummation of such Corporate Event in such amounts as the Holder would have been entitled to receive had this Note initially been issued with conversion rights for the form of such consideration (as opposed to shares of Common Stock) at a conversion price for such consideration commensurate with the Conversion Price. Provision made pursuant to the preceding sentence shall be in a form and substance satisfactory to the Holder. The provisions of this Section 3.4(b) shall apply similarly and equally to successive Corporate Events and shall be applied without regard to any limitations on the conversion or prepayment of this Note.

(c) Prepayment Following a Change of Control. No later than 15 days following the entry by the Company into an agreement for a Change of Control but in no event prior to the public announcement of such Change of Control, the Maker shall deliver written notice describing the entry into such agreement (“Notice of Change of Control”) to the Holder. Within 15 days after receipt of a Notice of Change of Control, the Holder may require the Maker to prepay, effective immediately prior to the consummation of such Change of Control, an amount equal to 110% of the sum of (x) the outstanding Principal of this Note and (y) and any accrued and unpaid Interest thereon (if any) (the “COC Repayment Price”), by delivering written notice thereof (“Notice of Prepayment at Option of Holder Upon Change of Control”) to the Maker.

(d) Payment of COC Repayment Price. Upon the Maker's receipt of a Notice(s) of Prepayment at Option of Holder Upon Change of Control from the Holder, the Maker shall deliver the COC Repayment Price to the Holder immediately prior to the consummation of the Change of Control in exchange for the Holder simultaneously delivery of the original Note to the Maker.

3.5 Inability to Fully Convert.

(a) Holder's Option if Maker Cannot Fully Convert. If, upon the Maker's receipt of a Conversion Notice or as otherwise required under this Note, including with respect to repayment of Principal and any accrued and unpaid Interest thereon (if any) in Common Stock as permitted under this Note, the Maker cannot issue Common Stock for any reason, including, without limitation, because the Maker (x) does not have a sufficient number of shares of Common Stock authorized and available, (y) is precluded from issuing Conversion Shares due to a failure to comply with the Rules, policies and procedures of the Trading Market, or (z) is otherwise prohibited by applicable Law or by the rules or regulations of any national securities exchange, interdealer quotation system or other self-regulatory organization with jurisdiction over the Maker or any of its securities from issuing all of the shares of Common Stock which are to be issued to the Holder pursuant to this Note, then the Maker shall issue as many shares of Common Stock as it is able to issue and, with respect to the unconverted portion of this Note or with respect to any Common Stock not timely issued in accordance with this Note, the Holder, solely at Holder's option, can elect to do the following which shall be in addition to and not instead of any other rights or provisions set forth herein or in any other Transaction Document:

(i) require the Maker to prepay that portion of this Note for which the Maker is unable to issue Common Stock or for which Common Stock were not timely issued (the "Mandatory Prepayment") at a price equal to the number of shares of Common Stock that the Maker is unable to issue multiplied by the higher of (A) the Fixed Conversion Price and (B) the VWAP as of the date of the Conversion Notice (the "Mandatory Prepayment Price");

(ii) void its Conversion Notice and retain or have returned, as the case may be, this Note that was to be converted pursuant to the Conversion Notice (provided that the Holder's voiding its Conversion Notice shall not affect the Maker's obligations to make any payments which have accrued prior to the date of such notice); or

(iii) defer issuance of the applicable Conversion Shares until such time as the Maker can legally issue such shares; provided that the Principal and any accrued and unpaid Interest thereon (if any) underlying such Conversion Shares shall remain outstanding until the delivery of such Conversion Shares; and provided, further, that if the Holder elects to defer the issuance of the Conversion Shares, it may exercise its rights under either clause (i) or (ii) above at any time prior to the issuance of the Conversion Shares upon one Trading Day's notice to the Maker.

(b) Mechanics of Fulfilling Holder's Election. The Maker shall immediately send to the Holder, upon receipt of a Conversion Notice from the Holder, which cannot be fully satisfied as described in Section 3.5(a) above, a notice of the Maker's inability to fully satisfy the Conversion Notice (the "Inability to Fully Convert Notice"). Such Inability to Fully Convert Notice shall indicate (i) the reason why the Maker is unable to fully satisfy the Holder's Conversion Notice; and (ii) the amount of this Note which cannot be converted. The Holder shall notify the Maker of its election pursuant to Section 3.5(a) above by delivering written notice to the Maker ("Notice in Response to Inability to Convert").

(c) Payment of Mandatory Prepayment Price. If the Holder shall elect to have its Note prepaid pursuant to Section 3.5(a)(i) above, the Maker shall pay the Mandatory Prepayment Price to the Holder within five Trading Days of the Maker's receipt of the Holder's Notice in Response to Inability to Convert; provided that prior to the Maker's receipt of the Holder's Notice in Response to Inability to Convert the Maker has not delivered a notice to the Holder stating, to the satisfaction of the Holder, that the event or condition resulting in the Mandatory Prepayment has been cured and all Conversion Shares issuable to the Holder can and will be delivered to the Holder in accordance with the terms of this Note. If the Maker shall fail to pay the applicable Mandatory Prepayment Price to the Holder on the date that is two Trading Days following the Maker's receipt of the Holder's Notice in Response to Inability to Convert, in addition to any remedy the Holder may have under this Note and the Purchase Agreement, such unpaid amount shall bear interest at the Default Rate (prorated for partial months) until paid in full. Until the full Mandatory Prepayment Price is paid in full to the Holder, the Holder may (i) void the Mandatory Prepayment with respect to that portion of the Note for which the full Mandatory Prepayment Price has not been paid and (ii) receive back such Note.

3.6 Purchase Rights. If at any time the Company grants, issues or sells any Common Stock, Options, other Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to all or substantially all of the record holders of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of this Note (without taking into account any limitations or restrictions on the convertibility of this Note and assuming for such purpose that the Note was converted at the Applicable Conversion Price as of the applicable record date) immediately prior to the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, that to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to the extent of the Beneficial Ownership Limitation (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right to the extent of any such excess) and such Purchase Right to such extent shall be held in abeyance (and, if such Purchase Right has an expiration date, maturity date or other similar provision, such term shall be extended by such number of days held in abeyance, if applicable) for the benefit of the Holder until such time or times, if ever, as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Beneficial Ownership Limitation, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance (and, if such Purchase Right has an expiration date, maturity date or other similar provision, such term shall be extended by such number of days held in abeyance, if applicable)) to the same extent as if there had been no such limitation). In additional, the Holder shall also have the additional purchase rights set forth in Section 4.13 of the Purchase Agreement.

3.7 No Rights as Shareholder. Nothing contained in this Note shall be construed as conferring upon the Holder, prior to the conversion of this Note, the right to vote or to receive dividends or to consent or to receive notice as a shareholder of the Company in respect of any meeting of shareholders for the election of directors of the Maker or of any other matter, or any other rights as a shareholder of the Maker.

3.8 Floor Price. Notwithstanding anything in this Note to the contrary, in no event shall the Conversion Price be lower than the Floor Price. If the Company receives a Conversion Notice at a time at which the applicable Conversion Price then in effect (as applicable, the “Applicable Conversion Price”) (without regard to the Floor Price) is lower than the Floor Price then in effect, the Company shall either (i) reduce the Floor Price to allow such conversion to be made at the Applicable Conversion Price, or (ii) issue a number of shares equal to the Conversion Amount divided by such Floor Price and either (A) pay the economic difference between the Applicable Conversion Price (without regard to the Floor Price) and such Floor Price in cash or (B) add such economic difference to the Principal of this Note, provided that the Floor Price and this Section 3.8 shall not apply to any conversions or other issuances under this Note if an Event of Default has occurred or is continuing. For further clarification, the economic difference shall be equal to (A) the number of shares that would have been delivered using the Applicable Conversion Price, minus (B) the number of shares delivered using the Floor Price, multiplied by (C) the daily VWAP of the Common Stock on the Conversion Date ((A-B)*C).

ARTICLE 4

4.1 Covenants. For so long as any Principal of this Note remains outstanding, unless Holder has otherwise given prior written consent, the Company shall be bound by, and shall cause each of its Subsidiaries to be bound by, the following covenants which covenants shall apply to such Subsidiaries even though only the Company is mentioned:

(a) Rank. All payments due under this Note shall rank senior to all other Indebtedness of the Company and its Subsidiaries, except for any Additional Note(s) upon issuance with which payments under this Note shall rank *pari passu*. For the avoidance of doubt, the Company shall not create any Indebtedness which rank senior to this Note in payment without the Holder’s prior written consent.

(b) Existence of Liens. The Company shall not directly or indirectly incur or guarantee or assume any Indebtedness, other than Permitted Indebtedness, or allow or suffer to exist any mortgage, lien, pledge, charge, security interest, deed of trust, or other encumbrance upon or in any property or assets (including accounts and contract rights) owned by the Company or any of its Subsidiaries (collectively, “Liens”) other than Permitted Liens.

(c) Restricted Payments. Except as otherwise provided for in this Note or the other Transaction Documents, the Company shall not directly or indirectly prepay, defease, repurchase, repay or make any payments in respect of, by the payment of cash or cash equivalents (in whole or in part, whether by way of open market purchases, tender offers, private transactions or otherwise), all or any portion of any Indebtedness (other than the Note and any Additional Note(s)) whether by way of payment in respect of principal of (or premium, if any) or Interest on, such Indebtedness if at the time such payment is due or is otherwise made or, after giving effect to such payment, (i) an event constituting an Event of Default has occurred and is continuing or (ii) an event that with the passage of time and without being cured would constitute an Event of Default has occurred and is continuing.

(d) Restriction on Redemptions, Repurchases, Dividends and Distributions. The Company shall not directly or indirectly redeem, repurchase or declare or pay any cash dividend or other distribution on any shares of capital stock or equity securities.

(e) Restriction on Transfer of Assets. The Company shall not directly or indirectly sell, lease, license, assign, transfer, spin-off, split-off, convey or otherwise dispose of any assets or rights of the Company or any Subsidiary located in or otherwise subject to the jurisdiction of a state or territory of the United States owned or hereafter acquired whether in a single transaction or a series of related transactions, other than (i) sales, leases, licenses, assignments, transfers, conveyances and other dispositions of such assets or rights by the Company and its Subsidiaries in the ordinary course of business consistent with its past practice, (ii) sales of inventory and products in the ordinary course of business, and (iii) sales of unwanted or obsolete assets.

(f) Preservation of Existence, Etc. The Company shall maintain and preserve its existence, rights and privileges, and become or remain, and cause each of its Subsidiaries to become or remain, duly qualified and in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary.

(g) Maintenance of Properties, Etc. The Company shall maintain and preserve all of its properties which are necessary or useful in the proper conduct of its business in good working order and condition, ordinary wear and tear excepted, and comply, and cause each of its Subsidiaries to comply, at all times with the provisions of all leases to which it is a party as lessee or under which it occupies property, so as to prevent any loss or forfeiture thereof or thereunder.

(h) Maintenance of Intellectual Property. The Company shall take all action necessary or advisable to maintain all of the rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, original works of authorship, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and other intellectual property rights and all applications and registrations therefor of the Company and/or any of its Subsidiaries, in each case that are necessary or material to the conduct of its business in full force and effect.

(i) Maintenance of Insurance. The Company shall maintain, and cause each of its Subsidiaries to maintain, insurance with responsible and reputable insurance companies or associations (including, without limitation, comprehensive general liability, hazard, rent and business interruption insurance) with respect to its properties (including all real properties leased or owned by it) and business, in such amounts and covering such risks as is required by any Governmental Authority having jurisdiction with respect thereto and as is carried generally by companies in similar businesses similarly situated. Within 30 days of the Original Issuance Date, the Company shall have in effect a directors and officers liability insurance policy in accordance with the preceding sentence, and maintain such insurance policy at all times.

(j) Transactions with Affiliates. The Company shall not enter into, renew, extend or be a party to, any transaction or series of related transactions (including, without limitation, the purchase, sale, lease, transfer or exchange of property or assets of any kind or the rendering of services of any kind) with any Affiliate, except in the ordinary course of business in a manner and to an extent consistent with past practice and necessary or desirable for the prudent operation of its business, for fair consideration and on terms no less favorable to it or its Subsidiaries than would be obtainable in a comparable arm's length transaction with a Person that is not an Affiliate thereof.

(k) Use of Proceeds. The Maker shall use the proceeds of this Note only as set forth in the Purchase Agreement, and shall not use such proceeds for any other purpose.

(l) Operation of Business. The Company shall operate its business in the ordinary course consistent with past practices.

(m) Compliance with Transaction Documents. The Maker shall comply with its obligations under this Note and the other Transaction Documents.

(n) Payment of Taxes, Etc. The Maker shall promptly pay and discharge, or cause to be paid and discharged, when due and payable, all lawful taxes, assessments and governmental charges or levies imposed upon the income, profits, property or business of the Maker and the Subsidiaries, except for such failures to pay that, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect; provided, however, that any such tax, assessment, charge or levy need not be paid if the validity thereof shall currently be contested in good faith by appropriate proceedings and if the Maker or such Subsidiaries shall have set aside on its books adequate reserves with respect thereto, and provided, further, that the Maker and such Subsidiaries will pay all such taxes, assessments, charges or levies forthwith upon the commencement of proceedings to foreclose any lien which may have attached as security therefor.

(o) No Variable Rate Transaction. The Company shall not enter into any Variable Rate Transaction, except as otherwise expressly permitted under the Purchase Agreement.

4.2 Option of the Holder. In connection with the number of Trading Days referred to in this Note, the Holder shall have the option to add the number of Trading Days for which a temporary "chill" has been in effect as specified in the Purchase Agreement. This Section 4.2 and any election by the Holder shall not be deemed to modify the Events of Default.

4.3 Subsidiary Guaranty. If the Company organizes or acquires a new Subsidiary, the Company shall, within 10 Trading Days of such organization or acquisition, (i) cause the new Subsidiary to become a party to, and to guarantee the Note pursuant to, a Guarantee Agreement in the form reasonably acceptable to the Holder, and (ii) (A) if such Subsidiary is located in or otherwise subject to the jurisdiction of a state or territory of the United States, or (B) if the Company directly or indirectly brings assets into or acquires assets located within the United States, pledge the equity interests of such Subsidiary or such assets under, and cause such Subsidiary to become a party to, and the Company shall be a party to, a Security Agreement and a Pledge Agreement in the forms reasonably acceptable to the Holder (including the delivery of the pledged securities).

4.4 Pre-Delivery Shares.

(a) General. The Pre-Delivery Shares (as defined in the Purchase Agreement) are intended to be and, if so elected by the Holder in accordance herewith, are and shall be deemed issued to the Holder as Conversion Shares issuable hereunder. By accepting this Note, the Holder hereby agrees and acknowledges that it does not have the right to sell, assign, pledge, transfer, dispose of, swap, hedge, vote, enter into any derivative transaction or similar transaction involving, or enter into an agreement to engage in any of the foregoing with respect to, the Pre-Delivery Shares or any rights or interests therein or incident thereto, other than (x) proportionally in connection with any transfer in whole, or in part, as applicable, of this Note to any other Person or (y) in accordance with this Section 4.4. While this Note remains outstanding, the Holder's only right with respect to the Pre-Delivery Shares is to cause the Transfer Agent upon a conversion of this Note or any Additional Note(s) issued to the Holder to transfer the applicable Underlying Shares to the Holder's prime broker or directly to a third party purchaser of such Underlying Shares.

(b) Application of Pre-Delivery Shares; Delivery Shares. At any time the Company is required to deliver shares of Common Stock to the Holder hereunder (such shares of Common Stock, each a "Delivery Share" and together the "Delivery Shares"), whether upon conversion or otherwise, and the Holder (or its designee) holds one or more Pre-Delivery Shares, the Holder may in its discretion request (each, a "Delivery Share Application") one or more Pre-Delivery Shares, on a share-for-share basis, be deemed issued as Conversion Shares and the Transfer Agent shall upon the written authorization of the Holder deliver the Pre-Delivery Shares in lieu of the issuance and delivery of new Conversion Shares on behalf of the Holder as provided in Section 4.4(a), as available, against the aggregate number of shares required to then be delivered by the Company to the Holder hereunder (such aggregate number of shares subject to such Delivery Share Application, each a "Delivery Share Application Amount") to avoid the occurrence of a Conversion Failure hereunder with respect thereto. At the time of a Delivery Share Application, each such applied Pre-Delivery Share shall cease to be a Pre-Delivery Share hereunder and shall become a Delivery Share hereunder (with such Delivery Share Applicable Amount of shares issued (or issuable) in such conversion becoming Pre-Delivery Shares upon such issuance and delivery to the Holder); provided, that if the aggregate Pre-Delivery Shares held by the Holder is greater than or equal to the shares then issuable upon a conversion of this Note, upon any subsequent conversion of this Note, in lieu of the issuance and delivery of new Delivery Shares to the Holder, the Holder may request each such applicable Pre-Delivery Share be deemed issued as Conversion Shares, on a share-by-share basis with respect to such aggregate number of Delivery Shares otherwise issuable in such conversion of this Note, and each such applied Pre-Delivery Share shall cease to be a Pre-Delivery Share hereunder and shall become a Delivery Share hereunder in satisfaction of the Company's obligation to deliver such Delivery Share to the Holder in such applicable conversion. For the avoidance of doubt, any such treatment with respect to a subsequent conversion shall be deemed to be a Delivery Share Application. The terms "Delivery Shares" and "Conversion Shares" are used interchangeably in this Note and in each case refer to the shares of Common Stock issuable upon conversion of this Note.

(c) Limitations on Dividends and Distributions; Certain Adjustments. The Holder and the Company hereby agree that, without limiting any rights of the Holder hereunder in its capacity as the holder of this Note (including, without limitation, pursuant to Article V herein, which shall not be amended, modified or waived hereunder as a result of this Section 4.4(c) and shall remain in full force and effect), the Holder undertakes not to receive any cash or other dividends or distributions that may be declared or paid by the Company with respect to such Pre-Delivery Shares (other than as set forth in Section 3.3(a)(i) of this Note) ; provided, that this Section 4.4(c) shall cease to apply to any applicable Pre-Delivery Share at such time as such Pre-Delivery Share becomes a Delivery Share as a result of a Delivery Share Application hereunder (provided further that nothing in this Section 4.4(c) shall amend, modify or waive any term or condition of Article III above, which shall remain in full force and effect notwithstanding the applicability of this Section 4.4(c) to any shares of Common Stock of the Company). Notwithstanding anything herein to the contrary, the Pre-Delivery Shares shall be subject to equitable adjustment with respect to any share subdivision, share consolidation, share dividend, or recapitalization or similar corporate event, without duplication of Section 3.3(a) of this Note.

(d) Event of Default Pre-Delivery Shares. Upon the occurrence of an Event of Default and subject to compliance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws, in addition to and not in lieu of the other remedies provided for in this Note, the Holder shall receive a number of additional Pre-Delivery Shares determined by dividing 85% of the then outstanding Principal, accrued Interest, and other amounts payable under this Note by the VWAP as of the occurrence Event of Default without any requirement of paying consideration (in the form of conversion of this Note or otherwise) therefor, which event shall constitute partial liquidated damages and not a penalty, provided, however, that in no event shall any issuance exceed the Beneficial Ownership Limitation, and in the event such issuance would otherwise result in the Beneficial Ownership Limitation being exceeded, the Excess Shares shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as such issuance and the Holder's right thereto would not result in the Holder and its Affiliates exceeding the Beneficial Ownership Limitation, at which time or times the Company shall issue such Excess Shares to the Holder whereupon such Excess Shares shall become Pre-Delivery Shares that are subject to this Section 4.4 and the corresponding provisions of this Note and the other Transaction Documents.

(e) True-Up of Pre-Delivery Shares. If at any time the product of (A) the number of Pre-Delivery Shares then outstanding and (B) the VWAP then in effect is less than 50% of the Principal of this Note then outstanding, upon notice from the Holder, the Company shall (subject to compliance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws) register additional Pre-Delivery Shares in an amount necessary such that the dollar value of the Pre-Delivery Shares giving effect to such issuance equals at least 100% of the Principal of this Note, provided, however, that in no event shall any issuance exceed the Beneficial Ownership Limitation, and in the event such issuance would otherwise result in the Beneficial Ownership Limitation being exceeded, the Excess Shares shall be held in abeyance for the benefit of the Holder until such time or times, if ever, as such issuance and the Holder's right thereto would not result in the Holder and its Affiliates exceeding the Beneficial Ownership Limitation, at which time or times the Company shall issue such Excess Shares to the Holder whereupon such Excess Shares shall become Pre-Delivery Shares that are subject to this Section 4.4 and the corresponding provisions of this Note and the other Transaction Documents.

(f) Surrender and Cancellation of Pre-Delivery Shares. By accepting this Note, the Holder acknowledges and agrees that if the transfer records of the Company reflect that Pre-Delivery Shares are listed in the Holder's name on the date promptly following six months after this Note is no longer outstanding, the Company shall cause the Transfer Agent to cancel such remaining Pre-Delivery Shares subject to compliance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws.

(g) Registration Requirement. The Company shall register and at all time maintain the registration of the sale and issuance of, and/or the Holder's resale of, any Pre-Delivery Shares issued or issuable pursuant to the Transaction Documents (including pursuant to the provisions of this Section 4.4) as soon as reasonably practicable, and in any event within the timeframes and in accordance with the provisions set forth in the other Transaction Documents.

(h) Beneficial Ownership Limitation for Pre-Delivery Shares. Notwithstanding anything herein to the contrary, and subject to compliance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws, Pre-Delivery Shares shall not become Delivery Shares, and the Holder shall not be deemed to beneficially own the Pre-Delivery Shares, to the extent such event would result in the Beneficial Ownership Limitation being exceeded, and in such case any such shares shall be held in abeyance in the same manner as set forth in Section 4.4(d) of this Note. Although the Holder is not a beneficial owner of the Pre-Delivery Shares, out of an abundance of caution if any Conversion Notice delivered under this Note provides for a number of Conversion Shares which, together with the Pre-Delivery Shares (assuming for this purpose that the Pre-Delivery Shares are beneficially owned by the Holder), would cause the Holder to exceed the Beneficial Ownership Limitation, such Conversion Notice shall be deemed to be for such lesser amount of Principal and Conversion Shares so converted so as to cause the Holder to remain below the Beneficial Ownership Limitation after giving to such conversion, and any Excess Shares shall not be issued and shall be deemed null and void ab initio, the Holder shall not have the power to vote or sell the Conversion Shares, and such shares cancelled in accordance with the Companies Act (As Revised) of the Cayman Islands and all applicable laws. Nothing contained in this Section 4.4(h) shall be construed to prevent the Holder from using Pre-Delivery Shares as Delivery Shares.

ARTICLE 5

5.1 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be given as provided in the Purchase Agreement.

5.2 Governing Law; Exclusive Jurisdiction. All questions arising under or concerning the construction, interpretation, validity, enforcement and defense of this Note shall be governed by and construed and enforced in accordance with the Purchase Agreement and all Actions arising under or concerning the construction, interpretation, validity, enforcement and defense of this Note shall only be brought in the courts specified in the Purchase Agreement.

5.3 Headings. Article and Section headings in this Note are included herein for purposes of convenience of reference only and shall not constitute a part of this Note for any other purpose.

5.4 Remedies, Characterizations, Other Obligations, Breaches and Injunctive Relief. The remedies provided in this Note shall be cumulative and in addition to all other remedies available under this Note, at law or in equity (including, without limitation, a decree of specific performance and/or other injunctive relief), no remedy contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy and nothing herein shall limit the Holder's right to pursue actual damages for any failure by the Maker to comply with the terms of this Note. Amounts set forth or provided for herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Maker (or the performance thereof). The Maker acknowledges that a breach by it of its obligations hereunder will cause irreparable and material harm to the Holder and that the remedy at law for any such breach would be inadequate. Therefore, the Maker agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available rights and remedies, at law or in equity, to seek equitable relief, including but not limited to an injunction restraining any such breach or threatened breach, without the necessity of pleading and proving irreparable harm or lack of an adequate remedy at law and without any bond or other security being required.

5.5 Enforcement Expenses. The Maker agrees to pay all costs and expenses of the Holder in exercising or enforcing its rights under this Note, including, without limitation, reasonable attorneys' fees and expenses and the fees and expenses of any expert witnesses.

5.6 Binding Effect. The obligations of the Maker set forth herein shall be binding upon its successors and assigns, whether or not such successors or assigns are permitted by the terms herein.

5.7 Amendments; Waivers. Except for Section 3.2(e), which may not be amended, modified or waived by the Company or the Holder except as expressly set forth therein, no provision of this Note may be waived or amended except in a written instrument signed by the Company and the Holder. No waiver of any default with respect to any provision, condition or requirement of this Note shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of the Holder to exercise any right hereunder in any manner impair the exercise of any such right.

5.8 Compliance with Securities Laws. The Holder of this Note acknowledges that this Note is being acquired solely for the Holder's own account and not as a nominee for any other party, and for investment, and that the Holder shall not offer, sell or otherwise dispose of this Note in violation of applicable securities Laws. This Note and any Note issued in substitution or replacement therefor shall be stamped or imprinted with a legend in substantially the form as the legend on the face of this Note.

5.9 Failure or Indulgence Not Waiver. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

5.10 Maker Waivers. Except as otherwise specifically provided herein, the Maker and all others that may become liable for all or any part of the obligations evidenced by this Note, hereby waive presentment, demand, notice of nonpayment, protest and all other demands and notices in connection with the delivery, acceptance, performance and enforcement of this Note, and do hereby consent to any number of renewals or extensions of the time or payment hereof and agree that any such renewals or extensions may be made without notice to any such persons and without affecting their liability herein and do further consent to the release of any person liable hereon, all without affecting the liability of the other persons, firms or Maker liable for the payment of this Note, **and do hereby waive the right to a trial by jury.**

(d) No Copyrights, Patents or Trademarks listed on Schedules III, IV and V, respectively, if any, have been adjudged invalid or unenforceable or have been canceled, in whole or in part, or are not presently subsisting. Each of such Copyrights, Patents and Trademarks (if any) is valid and enforceable. Subject to Permitted Liens, such Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of such Copyrights, Patents and Trademarks, identified on Schedules III, IV and V, as applicable, as being owned by such Debtor, free and clear of any liens (subject to Permitted Liens), charges and encumbrances, including without limitation licenses, shop rights and covenants by such Debtor not to sue third persons. Such Debtor has adopted, used and is currently using, or has a current bona fide intention to use, all of such Trademarks and Copyrights. Such Debtor has no notice of any suits or actions commenced or threatened with reference to the Copyrights, Patents or Trademarks owned by it.

(e) Each Debtor agrees to deliver to the Collateral Agent an updated Schedule I, II, III, IV and/or V within five Trading Days of any change thereto which, if omitted, would make such Schedules materially misleading, taken as a whole. Notwithstanding anything to the contrary in this Agreement, for the avoidance of doubt, any representation or warranty made by Debtors with respect to such Schedules during such five Trading Day period shall be deemed true and correct, and any covenant of the Debtors with respect to such Schedules during such five Trading Day period shall be deemed complied with until the earlier of (a) the expiration of such five Trading Day period and (b) the delivery of such updated Schedule(s).

(f) Such Debtor does not own any Commercial Tort Claim except for those disclosed on Schedule VII hereto (if any) as of the date hereof.

(g) Such Debtor does not have any interest in owned real property with respect to real property except as disclosed on Schedule VIII (if any). Each Debtor shall deliver to the Collateral Agent a revised version of Schedule VIII showing any changes thereto within 10 Trading Days of any such change thereto which, if omitted, would make such Schedule VIII materially misleading, taken as a whole. Notwithstanding anything to the contrary in this Agreement, for the avoidance of doubt, any representation or warranty made by Debtors with respect to such Schedule VIII during such 10 Trading Day period shall be deemed true and correct, and any covenant of the Debtors with respect to such Schedules during such 10 Trading Day period shall be deemed complied with until the earlier of (a) the expiration of such 10 Trading Day period and (b) the delivery of such updated Schedule VIII.

(h) All Equipment owned by a Debtor and subject to a certificate of title or ownership statute is described on Schedule IX hereto as of the date hereof.

Section 3. Grant of Security Interest; Collateral

3.1 Security Interest; Collateral. As collateral security for the prompt payment in full when due (whether at stated maturity, by acceleration or otherwise) of the Obligations, each Debtor hereby pledges and grants to the Collateral Agent, for the benefit of itself and each Secured Party, a Lien on and security interest in and to all of such Debtor's right, title and interest in and to the following properties and assets of such Debtor, whether now owned by such Debtor or hereafter acquired and whether now existing or hereafter coming into existence and wherever located and of every kind, nature and description, whether tangible or intangible (all being collectively referred to herein as "Collateral"):

(a) all assets of the Debtors which are or become located in the United States or its respective territories.

Notwithstanding anything to the contrary contained herein or in any Transaction Document, in no event shall the security interest granted herein or therein attach to any Excluded Assets.

3.2 Pledge.

(a) Without limiting the generality of the foregoing, pursuant to this Agreement, the Company hereby pledges, assigns, hypothecates, transfers, delivers and grants to the Collateral Agent, for the benefit of itself and any other Secured Parties, a first lien on and first priority perfected security interest in (i) all of the Equity of the Pledge Entities now owned or hereafter acquired by such Pledgor (collectively, the "Pledged Interests"), (ii) any other shares of Equity hereafter pledged or referred to be pledged to the Collateral Agent pursuant to this Agreement; (iii) all "investment property" as such term is defined in §9-102(a)(49) of the UCC (as defined below) with respect thereto; (iv) any "security entitlement" as such term is defined in § 8-102(a)(17) of the UCC with respect thereto; (v) all books and records relating to the foregoing; and (vi) all Accessions and Proceeds (as each is defined in the UCC) of the foregoing, including, without limitation, all distributions (cash, stock, or otherwise), dividends, stock dividends, securities, cash, instruments, rights to subscribe, purchase, or sell, and other property, rights, and interest that such Pledgor is at any time entitled to receive or is otherwise distributed in respect of, or in exchange for, any or all of the Pledged Collateral (as defined below), and without affecting the obligations of the Pledgor under any provision of the Security Agreement, in the event of any consolidation or merger in which the Pledgor is not the surviving corporation, all shares of each class or Equity of the successor entity formed by or resulting from such consolidation or merger (the collateral described in clauses (i) through (vi) of this Section 2 being collectively referred to as the "Pledged Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

(b) Each Pledged Interest consisting of either (i) a membership interest in a Person that is a limited liability company or (ii) a partnership interest in a Person that is a partnership (if any) (1) is not and will not be evidenced by a certificate and (2) is not and will not be deemed a “security” governed by Article 8 of the UCC.

(c) The parties acknowledge and agree that the pledge provided for hereunder and the Pledged Collateral pursuant to this Section 3.2 shall be subject to the provisions set forth in the Pledge Agreement to be entered into by and among the parties hereto in the form attached as Exhibit B (the “Pledge Agreement”). Unless otherwise defined or referenced herein, all capitalized words and phrases used in this Section 3.2 shall have the meanings given them in the Pledge Agreement.

Section 4. Covenants; Remedies. In furtherance of the grant of the pledge and security interest pursuant to Section 3 hereof, each Debtor hereby agrees as follows:

4.1 Delivery and Other Perfection; Maintenance, etc.

(a) Delivery of Instruments, Documents, Etc. Each Debtor shall deliver and pledge to the Collateral Agent or its Representative any and all Instruments, negotiable Documents, Chattel Paper and certificated securities (accompanied by stock powers executed in blank, which stock powers may be filled in and completed at any time upon the occurrence of any Event of Default) duly endorsed and/or accompanied by such instruments of assignment and transfer executed by such Debtor in such form and substance as the Collateral Agent or its Representative may request; provided, that so long as no Event of Default shall have occurred and be continuing, each Debtor may retain for collection in the ordinary course of business any Instruments, negotiable Documents and Chattel Paper received by such Debtor in the ordinary course of business, and the Collateral Agent or its Representative shall, promptly upon request of a Debtor, make appropriate arrangements for making any other Instruments, negotiable Documents and Chattel Paper pledged by such Debtor available to such Debtor for purposes of presentation, collection or renewal (any such arrangement to be effected, to the extent deemed appropriate by the Collateral Agent or its Representative, against a trust receipt or like document). If a Debtor retains possession of any Chattel Paper, negotiable Documents or Instruments pursuant to the terms hereof, such Chattel Paper, negotiable Documents and Instruments shall be marked with the following legend: “This writing and the obligations evidenced or secured hereby are subject to the security interest of L1 Capital Global Opportunities Master Fund, in its capacity as Collateral Agent for the benefit of the Secured Parties.”

(b) Other Documents and Actions. Each Debtor shall, upon the reasonable request of the Collateral Agent, give, execute, deliver, file and/or record any financing statement, registration, notice, instrument, document, agreement, mortgage or other papers that may be necessary to create, preserve, perfect or validate the security interest granted pursuant hereto (or any security interest or mortgage contemplated or required hereunder, including with respect to Section 2(h) of this Agreement) or to enable the Collateral Agent or its Representative to exercise and enforce the rights of the Secured Parties hereunder with respect to such pledge and security interest, provided that notices to account debtors in respect of any Accounts or Instruments shall be subject to the provisions of clause (e) below. Notwithstanding the foregoing each Debtor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any filing office in any jurisdiction any initial financing statements (and other similar filings or registrations under other applicable laws and regulations pertaining to the creation, attachment, or perfection of security interests) and amendments thereto that (a) indicate the Collateral (i) as all assets of such Debtor or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC, or (ii) as being of an equal or lesser scope or with greater detail, and (b) contain any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether such Debtor is an organization, the type of organization and any organization identification number issued to such Debtor, and (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of real property to which the Collateral relates. Each Debtor agrees to furnish any such information to the Collateral Agent promptly upon reasonable request. Each Debtor also ratifies its authorization for the Collateral Agent to have filed in any jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof.

(c) Books and Records. Each Debtor shall maintain at its own cost and expense reasonably complete and accurate books and records of the Collateral, including, without limitation, a record of payments received and credits granted with respect to the Collateral. Upon the occurrence and during the continuation of any Event of Default, each Debtor shall deliver and turn over any such books and records (or true and correct copies thereof) to the Collateral Agent or its Representative at any time on demand. Each Debtor shall permit the Collateral Agent or any Representative of the Collateral Agent to inspect such books and records at any time during reasonable business hours and upon reasonable notice; provided that a representative of such Debtor may attend such inspection, if desired by such Debtor, and will provide photocopies thereof at such Debtor's expense to the Collateral Agent or its Representative upon reasonable request of the Collateral Agent or its Representative.

(d) Notice to Account Debtors; Verification. Upon the occurrence and during the continuance of any Event of Default, (i) upon request of the Collateral Agent or its Representative, each Debtor shall promptly notify (and each Debtor hereby authorizes the Collateral Agent and its Representative so to notify) each account debtor in respect of any Accounts or Instruments or other Persons obligated on the Collateral that such Collateral has been assigned to the Collateral Agent hereunder, and that any payments due or to become due in respect of such Collateral are to be made directly to the Collateral Agent, and (ii) the Collateral Agent and its Representative shall have the right at any time or times to make direct verification with the account debtors or other Persons obligated on the Collateral of any and all of the Accounts or other such Collateral.

(e) Intellectual Property. Each Debtor represents and warrants that the Copyrights, Patents and Trademarks listed on Schedules III, IV and V, respectively (if any), constitute all of the registered Copyrights and all of the Patents and Trademarks now owned by such Debtor. If such Debtor shall (i) obtain rights to any new patentable inventions, any registered Copyrights or any Patents or Trademarks, or (ii) become entitled to the benefit of any registered Copyrights or any Patents or Trademarks or any improvement on any Patent, the provisions of this Agreement above shall automatically apply thereto and such Debtor shall give to the Collateral Agent prompt written notice thereof. Each Debtor hereby authorizes the Collateral Agent to modify this Agreement by amending Schedules III, IV and V, as applicable, to include any such registered Copyrights or any such Patents and Trademarks. Each Debtor shall have the duty (i) to prosecute diligently any patent, trademark, or service mark applications pending as of the date hereof or hereafter, (ii) to preserve and maintain all rights in the Copyrights, Patents and Trademarks, to the extent material to the operations of the business of such Debtor and (iii) to ensure that the Copyrights, Patents and Trademarks are and remain enforceable, to the extent material to the operations of the business of such Debtor. Any expenses incurred in connection with such Debtor's obligations under this Section 4.1(e) shall be borne by such Debtor. Except for any such items that a Debtor reasonably believes (using prudent industry customs and practices) are no longer necessary for the on-going operations of its business, no Debtor shall abandon any material right to file a patent, trademark or service mark application, or abandon any pending patent, trademark or service mark application or any other Copyright, Patent or Trademark without the prior written consent of the Collateral Agent.

(f) Further Identification of Collateral. Each Debtor will, when and as often as reasonably requested by the Collateral Agent or its Representative, furnish to the Collateral Agent or such Representative, statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Collateral Agent or its Representative may reasonably request, all in reasonable detail.

(g) Investment Property. Each Debtor will take any and all actions reasonably required or requested by the Collateral Agent or its Representative, from time to time, to (i) cause the Collateral Agent to obtain exclusive control of any Investment Property owned by such Debtor in a manner acceptable to the Collateral Agent and (ii) use its commercially reasonable efforts to obtain from any issuers of Investment Property and such other Persons written confirmation of the Collateral Agent's control over such Investment Property. For purposes of this Section 4.1(g), the Collateral Agent shall have exclusive control of Investment Property if (i) such Investment Property consists of certificated securities and a Debtor delivers such certificated securities to the Collateral Agent (with appropriate endorsements if such certificated securities are in registered form); (ii) such Investment Property consists of uncertificated securities and either (x) a Debtor delivers such uncertificated securities to the Collateral Agent or (y) the issuer thereof agrees, pursuant to documentation in form and substance satisfactory to the Collateral Agent, that it will comply with instructions originated by the Collateral Agent without further consent by such Debtor, and (iii) such Investment Property consists of security entitlements and either (x) the Collateral Agent becomes the entitlement holder thereof or (y) the appropriate securities intermediary agrees, pursuant to the documentation in form and substance satisfactory to the Collateral Agent, that it will comply with entitlement orders originated by the Collateral Agent without further consent by any Debtor; provided, however, each Debtor shall cause any uncertificated securities constituting Collateral to be certificated within 10 Trading Days of the date of this Agreement or the date on which such uncertificated securities are acquired by such Debtor, as applicable.

(h) Commercial Tort Claims. Each Debtor shall promptly notify the Collateral Agent of any Commercial Tort Claim acquired by it that concerns a claim in excess of \$50,000 and if requested by the Collateral Agent, such Debtor shall enter into a supplement to this Agreement granting to the Secured Parties a Lien on and security interest in such Commercial Tort Claim.

4.2 Other Liens. Other than Permitted Liens, Debtors will not create, permit or suffer to exist, and will defend the Collateral against and take such other action as is necessary to remove, any Lien on the Collateral except Permitted Indebtedness, and will defend the right, title and interest of the Secured Parties in and to the Collateral and in and to all Proceeds thereof against the claims and demands of all Persons whatsoever.

4.3 Preservation of Rights. Whether or not an Event of Default has occurred or is continuing, and subject to a minimum of five Trading Days' notice to the Debtors when an Event of Default has not occurred and is not continuing, the Collateral Agent and its Representative may, but shall not be required to, take any steps the Collateral Agent or its Representative reasonably deems reasonably necessary or reasonably appropriate to preserve any Collateral or any rights against third parties to any of the Collateral, including obtaining insurance for the Collateral at any time when such Debtor has failed to do so, and Debtors shall promptly pay, or reimburse the Collateral Agent for, all reasonable and documented out of pocket expenses incurred in connection therewith.

4.4 Formation of Subsidiaries; Name Change; Location; Bailees.

(a) No Debtor shall form or acquire any Subsidiary unless (i) within 10 days (or such longer period as the Collateral Agent may agree) of such formation or acquisition, (A) such Debtor pledges all of the capital stock or equity interests of such Subsidiary to the Collateral Agent for the benefit of the Secured Parties pursuant to an agreement in a form agreed to by the Collateral Agent, (B) such Subsidiary becomes a party to this Agreement by execution of a joinder in the form of Exhibit A attached hereto and (ii) the formation or acquisition of such Subsidiary is not prohibited by the terms of the Transaction Documents.

(b) Except for transactions not prohibited by the terms of the Transaction Documents, no Debtor shall (i) reincorporate or reorganize itself under the laws of any jurisdiction other than the jurisdiction in which it is incorporated or organized as of the date hereof, or (ii) otherwise change its name, identity or corporate structure, in each case, without the prior written consent of the Collateral Agent, which consent shall not be unreasonably withheld, conditioned or delayed. Each Debtor will notify the Collateral Agent promptly in writing prior to any such change in the proposed use by such Debtor of any tradename or fictitious business name other than any such name set forth on Schedule II attached hereto.

(c) Except for the sale of Inventory in the ordinary course of business and other sales of assets not prohibited by the terms of the Transaction Documents, each Debtor will keep the Collateral at the locations specified in Schedule I. Each Debtor will give the Collateral Agent written notice within five Trading Days after any change in such Debtor's chief place of business or of any new location for any of the Collateral.

(d) If any Collateral is at any time in the possession or control of any warehousemen, bailee, consignee or processor, such Debtor shall, upon the reasonable request of the Collateral Agent or its Representative, notify such warehousemen, bailee, consignee or processor of the Lien and security interest created hereby.

(e) Each Debtor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement without the prior written consent of the Collateral Agent and agrees that it will not do so without the prior written consent of the Collateral Agent, subject to such Debtor's rights under Section 9-509(d)(2) to the UCC.

(f) No Debtor shall enter into any Contract that restricts or prohibits the grant to any Secured Party of a security interest in favor of the Collateral Agent in Accounts, Chattel Paper, Instruments or payment intangibles or the proceeds of the foregoing.

4.5 Events of Default, Etc. During the period during which an Event of Default shall have occurred and be continuing:

(a) each Debtor shall, at the request of the Collateral Agent or its Representative, assemble the Collateral and make it available to the Collateral Agent or its Representative at a place or places designated by the Collateral Agent or its Representative which are reasonably convenient to the Collateral Agent or its Representative, as applicable, and such Debtor;

(b) the Collateral Agent or its Representative may make any reasonable compromise or settlement deemed desirable with respect to any of the Collateral and may extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, any of the Collateral;

(c) the Collateral Agent shall have all of the rights and remedies with respect to the Collateral of a secured party under the UCC (whether or not said UCC is in effect in the jurisdiction where the rights and remedies are asserted) and such additional rights and remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any rights and remedies hereunder may be asserted, including, without limitation, the right, to the maximum extent permitted by law, to: (i) upon one Trading Day's prior written notice to the Debtors, exercise all voting, consensual and other powers of ownership pertaining to the Collateral as if the Collateral Agent were the sole and absolute owner thereof (and each Debtor agrees to take all such action as may be appropriate to give effect to such right) and (ii) the appointment of a receiver or receivers for all or any part of the Collateral or business of a Debtor, whether such receivership be incident to a proposed sale or sales of such Collateral or otherwise and without regard to the value of the Collateral or the solvency of any person or persons liable for the payment of the Obligations secured by such Collateral. Each Debtor hereby consents to the appointment of such receiver or receivers, waives any and all defenses to such appointment and agrees that such appointment shall in no manner impair, prejudice or otherwise affect the rights of the Collateral Agent or any Secured Party under this Agreement. Each Debtor hereby expressly waives notice of a hearing for appointment of a receiver and the necessity for bond or an accounting by the receiver;

(d) the Collateral Agent or its Representative in its discretion may, in the name of the Collateral Agent or in the name of a Debtor or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for any of the Collateral, but shall be under no obligation to do so;

(e) the Collateral Agent or its Representative may take immediate possession and occupancy of any premises owned, used or leased by a Debtor and exercise all other rights and remedies which may be available to the Collateral Agent or a Secured Party;

(f) the Collateral Agent may, upon reasonable notice (such reasonable notice to be determined by the Collateral Agent in its sole and absolute discretion, which shall not be less than 10 days), with respect to the Collateral or any part thereof which shall then be or shall thereafter come into the possession, custody or control of the Collateral Agent or its Representative, sell, lease, license, assign or otherwise dispose of all or any part of such Collateral, at such place or places as the Collateral Agent deems best, and for cash or for credit or for future delivery (without thereby assuming any credit risk), at public or private sale, without demand of performance or notice of intention to effect any such disposition or of the time or place thereof (except such notice as is required above or by applicable statute and cannot be waived), and the Collateral Agent or anyone else may be the purchaser, lessee, licensee, assignee or recipient of any or all of the Collateral so disposed of at any public sale (or, to the extent permitted by law, at any private sale) and thereafter hold the same absolutely, free from any claim or right of whatsoever kind, including any right or equity of redemption (statutory or otherwise), of Debtors, any such demand, notice and right or equity being hereby expressly waived and released. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the sale may be so adjourned;

(g) the Collateral Agent, shall, upon one Trading Day's prior written notice to the Debtors, have the right (in its sole and absolute discretion) to cause each of the pledged securities to be transferred of record into the name of the Collateral Agent or into the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Debtor, endorsed or assigned in blank or in favor of the Collateral Agent and to the extent permitted by the documentation governing such pledged securities and applicable law, the Collateral Agent shall have the right to exchange the certificates representing pledged securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Debtor shall take any and all actions reasonably requested by the Collateral Agent to facilitate compliance with this Section 4.5(g);

(h) all rights of any Debtor to dividends, interest, principal or other distributions that such Debtor is entitled to receive shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions as part of the pledged Collateral hereunder. All dividends, interest, principal or other distributions received by any Debtor contrary to the provisions of Section 4.5(g) or this Section 4.5(h) shall be held in trust for the benefit of the Collateral Agent and shall be forthwith delivered to the Collateral Agent upon demand in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent); and

(i) the rights, remedies and powers conferred by this Section 4.5 are in addition to, and not in substitution for, any other rights, remedies or powers that the Collateral Agent or any Secured Party may have under any Transaction Document, at law, in equity or by or under the UCC or any other statute or agreement. The Collateral Agent may proceed by way of any action, suit or other proceeding at law or in equity and no right, remedy or power of the Collateral Agent will be exclusive of or dependent on any other. The Collateral Agent may exercise any of its rights, remedies or powers separately or in combination and at any time.

The proceeds of each collection, sale or other disposition under this Section 4.5 shall be applied in accordance with Section 4.8 hereof.

4.6 Deficiency. If the proceeds of sale, collection or other realization of or upon the Collateral are insufficient to cover the reasonable and documented costs and expenses of such realization and the payment in full of the Obligations, the Debtors shall remain jointly and severally liable for any deficiency.

4.7 Private Sale. Each Debtor recognizes that the Collateral Agent may be unable to effect a public sale of any or all of the Collateral consisting of securities by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such Collateral for their own account for investment and not with a view to the distribution or resale thereof. Each Debtor acknowledges and agrees that any such private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and each Debtor agrees that it is not commercially unreasonable for the Collateral Agent to engage in any such private sales or dispositions under such circumstances. The Collateral Agent shall be under no obligation to delay a sale of any of the Collateral to permit a Debtor to register such Collateral for public sale under the Act, or under applicable state securities laws, even if Debtors would agree to do so. The Collateral Agent shall not incur any liability as a result of the sale of any such Collateral, or any part thereof, at any private sale provided for in this Agreement conducted in a commercially reasonable manner, and so long as the Collateral Agent conducts such sale in a commercially reasonable manner each Debtor hereby waives any claims against the Collateral Agent or any Secured Party arising by reason of the fact that the price at which the Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Obligations, even if the Collateral Agent accepts the first offer received and does not offer the Collateral to more than one offeree.

Each Debtor further agrees to do or cause to be done all such other acts and things as may be necessary to make such sale or sales of any portion or all of any such Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at such Debtor's expense. Each Debtor further agrees that a breach of any of the covenants contained in this Section 4.7 will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, agrees that each and every covenant contained in this Section 4.7 shall be specifically enforceable against Debtors by Collateral Agent of behalf of each Secured Party, and each Debtor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing.

4.8 Application of Proceeds. The proceeds of any collection, sale or other realization of all or any part of the Collateral, and any other cash at the time held by the Collateral Agent under this Agreement, shall be applied to the Obligations in accordance with the Pro Rata Portion of each Secured Party. "Pro Rata Portion" shall mean the ratio of (x) the subscription amount of the Note purchased by a Secured Party participating under this Section 4.8 and (y) the sum of the aggregate subscription amounts of the Note purchased by all Secured Parties participating under this Section 4.8.

4.9 Attorney-in-Fact. Each Debtor hereby irrevocably constitutes and appoints the Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Debtor and in the name of such Debtor or in its own name, upon the occurrence and during the continuation of an Event of Default (except in connection with the perfection of the security interest granted to the Collateral Agent hereunder), from time to time in the discretion of the Collateral Agent, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute and deliver any and all documents and instruments which may be necessary or desirable to perfect or protect any security interest granted hereunder, to maintain the perfection or priority of any security interest granted hereunder, or to otherwise accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, hereby gives the Collateral Agent the power and right, on behalf of such Debtor, without notice to or assent by such Debtor (to the extent permitted by applicable law), to do the following upon the occurrence and during the continuation of an Event of Default:

(a) to take any and all appropriate action and to execute and deliver any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement;

(b) to ask, demand, collect, receive and give acquittance and receipts for any and all moneys due and to become due under any Collateral and, in the name of such Debtor or its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other Instruments for the payment of moneys due under any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Collateral whenever payable and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Collateral whenever payable;

(c) to pay or discharge charges or liens levied or placed on or threatened against the Collateral, to effect any insurance called for by the terms of this Agreement and to pay all or any part of the premiums therefor;

(d) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due, and to become due thereunder, directly to the Collateral Agent or as the Collateral Agent shall direct, and to receive payment of and receipt for any and all moneys, claims and other amounts due, and to become due at any time, in respect of or arising out of any Collateral;

(e) to sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with accounts and other Documents constituting or relating to the Collateral;

(f) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral;

(g) to defend any suit, action or proceeding brought against a Debtor with respect to any Collateral;

(h) to settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as the Collateral Agent may deem appropriate;

(i) to the extent that a Debtor's authorization given in Section 4.1(b) of this Agreement is not sufficient to file such financing statements with respect to this Agreement, with or without such Debtor's signature, or to file a photocopy of this Agreement in substitution for a financing statement, as the Collateral Agent may deem appropriate and to execute in such Debtor's name such financing statements and amendments thereto and continuation statements which may require such Debtor's signature;

(j) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owners thereof for all purposes; and

(k) to do, at the Collateral Agent's option and at such Debtor's expense, at any time, or from time to time, all acts and things which the Collateral Agent reasonably deems necessary to protect or preserve or realize upon the Collateral and the Secured Parties' Liens therein, in order to effect the intent of this Agreement, all as fully and effectively as such Debtor might do.

Each Debtor hereby ratifies, to the extent permitted by law, all that such attorneys lawfully do or cause to be done by virtue hereof provided the same is performed in a commercially reasonable manner. The power of attorney granted hereunder is a power coupled with an interest and shall be irrevocable until the Obligations are indefeasibly paid in full in cash (other than Obligations which expressly survive by their terms and contingent indemnification Obligations) and this Agreement is terminated in accordance with Section 4.11 hereof.

Each Debtor also authorizes the Collateral Agent, at any time from and after the occurrence and during the continuation of any Event of Default, (x) to communicate in its own name with any party to any Contract with regard to the assignment of the right, title and interest of such Debtor in and under the Contracts hereunder and other matters relating thereto and (y) to execute, in connection with any sale of Collateral provided for hereunder, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

4.10 Perfection. Prior to, concurrently with or following the execution and delivery of this Agreement, the Investor shall:

(a) file such financing statements, assignments for security and other documents in such offices as may be necessary or as the Collateral Agent or the Representative may request to perfect the security interests granted by Section 3 of this Agreement. The Debtors agree that notwithstanding the fact that certain of the Debtors are organized outside of the United States, the Collateral Agent may perfect its security interest by filings in the central state UCC depository in each state where assets of a Debtor are located;

(b) at the Collateral Agent's request, deliver to the Collateral Agent or its Representative the originals of all Instruments together with, in the case of Instruments constituting promissory notes, allonges attached thereto showing such promissory notes to be payable to the order of a blank payee;

(c) If the Debtor has not done so, the Collateral Agent may do the actions set forth in clauses (a) and (b) above at any later time at the sole cost of the Debtors.

4.11 Termination; Partial Release of Collateral. This Agreement and the Liens and security interests granted hereunder shall not terminate until the full and complete performance and indefeasible satisfaction of all of the Obligations (other than Obligations which expressly survive by their terms and contingent indemnification Obligations), whereupon the Collateral Agent shall forthwith cause to be assigned, transferred and delivered, against receipt but without any recourse, warranty or representation whatsoever, any remaining Collateral to or on the order of the Debtors. The Collateral Agent shall also execute and deliver to the Debtors upon such termination and at Debtors' expense such UCC termination statements, certificates for terminating the Liens on the Motor Vehicles (if any) and such other documentation as shall be reasonably requested by the Debtors or otherwise necessary to effect the termination and release of all Liens and security interests in favor of the Collateral Agent affecting the Collateral. Notwithstanding anything to the contrary in this Agreement, upon full and complete satisfaction of the Obligations (other than Obligations which expressly survive by their terms and contingent indemnification Obligations), the Debtors' obligations under this Agreement shall immediately terminate and any Liens shall thereupon be void. If any of the Collateral shall be sold, transferred to or otherwise disposed of by any Debtor in a transaction permitted by and in compliance with all applicable provisions of the applicable Transaction Document, then the Liens granted hereunder with respect to such Collateral shall be automatically released (unless otherwise specified herein or in the other Transaction Documents), all without delivery of any instrument or performance of any act by any party, and Collateral Agent shall, at the written request and sole expense of such Debtor, execute and deliver to such Debtor all releases or other documents reasonably necessary or reasonably desirable for the release of the Liens created hereby on such Collateral.

4.12 Further Assurances. At any time and from time to time, upon the written reasonable request of the Collateral Agent or its Representative, and at the sole expense of the Debtors, Debtors will promptly and duly execute and deliver any and all such further instruments, documents and agreements and take such further actions as the Collateral Agent or its Representative may reasonably require in order for the Collateral Agent to obtain the full benefits of this Agreement and of the rights and powers herein granted in favor of the Collateral Agent, including, without limitation, using the Debtors' commercially reasonable efforts to secure all consents and approvals necessary or appropriate for the assignment to the Collateral Agent of any Collateral held by the Debtors or in which a Debtor has any rights not heretofore assigned, the filing of any financing or continuation statements under the UCC with respect to the Liens and security interests granted hereby, transferring Collateral to the Collateral Agent's possession (if a security interest in such Collateral can be perfected by possession), placing the interest of the Collateral Agent as lienholder on the certificate of title of any Motor Vehicle, and obtaining waivers of liens from landlords and mortgagees. Each Debtor also hereby authorizes the Collateral Agent and its Representative to file any such financing or continuation statement without the signature of such Debtor to the extent permitted by applicable law.

4.13 Limitation on Duty of Secured Party. The powers conferred on the Collateral Agent under this Agreement are solely to protect the Collateral Agent's interest on behalf of itself and the other Secured Parties in the Collateral and shall not impose any duty upon it to exercise any such powers. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither the Collateral Agent nor its Representative nor any of their respective officers, directors, employees or agents shall be responsible to Debtors for any act or failure to act, except for gross negligence, bad faith or willful misconduct. Without limiting the foregoing, the Collateral Agent and any Representative shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in their possession if such Collateral is accorded treatment substantially equivalent to that which the Collateral Agent or any Representative, in its individual capacity, accords its own property consisting of the type of Collateral involved, it being understood and agreed that neither the Collateral Agent nor any Representative shall have any responsibility for taking any necessary steps (other than steps taken in accordance with the standard of care set forth above) to preserve rights against any Person with respect to any Collateral.

Also without limiting the generality of the foregoing, neither the Collateral Agent nor any Representative shall have any obligation or liability under any Contract or license by reason of or arising out of this Agreement or the granting to the Collateral Agent of a security interest therein or assignment thereof or the receipt by the Collateral Agent or any Representative of any payment relating to any Contract or license pursuant hereto, nor shall the Collateral Agent or any Representative be required or obligated in any manner to perform or fulfill any of the obligations of Debtors under or pursuant to any Contract or license, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any Contract or license, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Section 5. Miscellaneous.

5.1 No Waiver. No failure on the part of the Collateral Agent or any of its Representatives to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by the Collateral Agent or any of its Representatives of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

5.2 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed in accordance with the Purchase Agreement, without regard to the principles of conflicts of law principles, except that with respect to any cash or other Collateral, the rights of the Collateral Agent and the Secured Parties with respect thereto shall be subject to and governed by the internal laws of the jurisdiction in which the Collateral is located, as applicable, which for the avoidance of doubt for any Collateral located in the United States shall be the state or territory in which such Collateral is located.

5.3 Notices. All notices, approvals, requests, demands and other communications hereunder shall be delivered or made in the manner set forth in, and shall be effective in accordance with the terms of, the Purchase Agreement. The Debtors and the Collateral Agent may change their respective notice addresses by written notice given to each other party five days prior to the effectiveness of such change. With respect to any notice to be given to the Debtors or any Debtor under this Agreement, such notice shall be deemed to have been given to all of the Debtors if given to the Company in accordance with the terms of the Purchase Agreement.

5.4 Amendments, Etc. The terms of this Agreement may be waived, altered or amended only by an instrument in writing duly executed by the Debtor sought to be charged or benefited thereby and the Secured Parties holding a majority of the outstanding principal of the Notes. Any such amendment or waiver shall be binding upon all the Secured Parties (including the Collateral Agent in its capacity as a Secured Party) and the Debtor(s) sought to be charged or benefited thereby and their respective successors and assigns.

5.5 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of each of the parties hereto, provided, that no Debtor shall assign or transfer its rights hereunder without the prior written consent of each Secured Party. Any Secured Party, including the Collateral Agent in its capacity as a Secured Party, may assign its rights hereunder without the consent of the Debtors, in which event such assignee shall be deemed to be a Secured Party and/or the Collateral Agent, as applicable, hereunder with respect to such assigned rights.

5.6 Counterparts; Headings. This Agreement may be authenticated in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may authenticate this Agreement by signing any such counterpart. This Agreement may be authenticated by manual signature or facsimile, .pdf or similar electronic signature, all of which shall be equally valid. The headings in this Agreement are for convenience of reference only and shall not alter or otherwise affect the meaning hereof.

5.7 Severability. If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Collateral Agent, its Representative and each other Secured Party (and all of their respective successors and assigns) in order to carry out the intentions of the parties hereto as nearly as may be possible and (b) the invalidity or unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

5.8 Exclusive Jurisdiction. Any action or proceeding arising out of, or relating in any way to, this Agreement shall be brought and enforced only as provided in the Purchase Agreement.

5.9 Waiver of Right to Trial by Jury. Each Debtor and each Secured Party waive their respective rights to a trial by jury of any claim or cause of action based upon or arising out of or related to this Agreement or the transactions contemplated hereby, in any action, proceeding or other litigation of any type brought by any of the parties against any other party or parties, whether with respect to contract claims, tort claims, or otherwise. Each Debtor and each Secured Party agree that any such claim or cause of action shall be tried by a court trial without a jury. Without limiting the foregoing, the parties further agree that their respective right to a trial by jury is waived by operation of this Section 5.9 as to any action, counterclaim or other proceeding which seeks, in whole or in part, to challenge the validity or enforceability of this agreement or any provision hereof. This waiver shall apply to any subsequent amendments, renewals, supplements or modifications to this Agreement.

5.10 Joint and Several. The obligations, covenants and agreements of the Debtors hereunder shall be the joint and several obligations, covenants and agreements of each Debtor, whether or not specifically stated herein without preferences or distinction among them.

5.11 Collateral Agent and Secured Parties Indemnification.

(a) Each Secured Party hereby designates and appoints the Collateral Agent as the collateral agent and the administrative agent of such Secured Party under this Agreement and the other Transaction Documents.

(b) Nothing in this Section 5.11 shall be deemed to limit or otherwise affect the rights of the Collateral Agent to exercise any remedy provided in this Agreement or any other Transaction Document.

(c) If pursuant to any Transaction Document a Secured Party (including the Collateral Agent) is given the discretion to allocate proceeds received by such Secured Party (including the Collateral Agent) pursuant to the exercise of remedies under the Transaction Documents or at law or in equity (including without limitation with respect to any secured creditor remedies exercised against the Collateral and any other collateral security provided for under any Transaction Document), the Collateral Agent shall apply such proceeds to the then outstanding Obligations in the following order of priority (with amounts received being applied in the numerical order set forth below until exhausted prior to the application to the next succeeding category and each Secured Party entitled to payment shall receive an amount equal to its Pro Rata Portion of amounts available to be applied pursuant to clauses second, third and fourth below):

first, to payment of fees, costs and expenses (including reasonable attorney's fees) owing to the Collateral Agent;

second, to payment of all accrued unpaid interest and fees (other than fees owing to Collateral Agent) on the Obligations;

third, to payment of principal of the Obligations;

fourth, to payment of any other amounts owing constituting Obligations; and

fifth, any remainder shall be for the account of and paid to whoever may be lawfully entitled thereto.

(d) Each Debtor agrees, jointly and severally, to indemnify, defend and hold harmless the Collateral Agent (both in its capacity as collateral agent hereunder and as a Secured Party), every other Secured Party, their respective successors and assigns and all of their respective officers, directors, shareholders, members, managers, partners, employees, attorneys and agents, and any Person in control of any thereof (collectively, the “Indemnitees”), from and against any claims, debts, liabilities, losses, demands, obligations, actions, causes of action, fines, penalties, reasonable and documented out of pocket costs and expenses (including attorneys’ fees and consultants’ fees), of every nature, character and description (each, an “Indemnified Liability” and collectively the “Indemnified Liabilities”), under federal and state securities laws or otherwise insofar as such Indemnified Liability arises out of or is based upon any of the transactions contemplated by this Agreement, any other Transaction Document, any of the Obligations, or any other cause or thing whatsoever occurred, done, omitted or suffered to be done by a Debtor relating to any Secured Party or the Obligations (except any such amounts sustained or incurred solely as the result of the bad faith or willful misconduct of such Indemnitees, as finally determined by a court of competent jurisdiction); but limited, in the case of legal fees and expenses, to one counsel to all such Indemnitees, taken as a whole and, solely in the case of an actual or potential conflict of interest, one additional counsel to all affected Indemnitees, taken as a whole (and, if reasonably necessary, one local counsel in any relevant jurisdiction to all such Persons, taken as a whole and, solely in the case of any such an actual or potential conflict of interest, one additional local counsel to all affected Indemnitees taken as a whole, in each such relevant jurisdiction)). If and to the extent that the foregoing undertakings in this paragraph may be unenforceable for any reason, each Debtor agrees to jointly and severally make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. The obligations of each Debtor under this Section 5.11(d) shall survive any termination of this Agreement or any other Transaction Document.

5.12 No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

5.13 **Entire Agreement; Amendment**. WHEREAS, the Pledgor legally and beneficially owns the interests specified on Exhibit A hereto and each other corporation or other entity, the capital stock or other equity interests and securities (any, “Securities”) of which are owned or acquired by the Pledgor and described on an addendum hereto from time-to-time executed by the Pledgor in form and substance satisfactory to the Collateral Agent (each such entity is referred to herein as a “Pledge Entity” and collectively as the “Pledge Entities,” which shall include Baird Medical LLC, a wholly owned subsidiary of the Pledgor and all other Subsidiaries of Pledgor formed, registered, incorporated or acquired after the date hereof which have any assets located in or which are otherwise subject to the jurisdiction of any state or territory of the United States during the time this Agreement remains in effect); provided that the parties hereto agree that, as of the date hereof, the Pledge Entities specified on Exhibit A are the only Pledge Entities. The failure to execute an addendum shall not relieve the Pledgor of its obligation to pledge any after acquired Securities;

WHEREAS, pursuant to a Security Agreement dated as of the date of this Agreement by and among the Collateral Agent, the Pledgor and the other entities party thereto as “Debtors” (as the same may be amended, restated, modified or supplement and in effect from time to time, the “Security Agreement”), the Pledgor and each other Debtor has granted the Collateral Agent, for its benefit as the Investor, a security interest in, lien upon and pledge of all of such Pledgor’s or other Debtor’s rights in such Pledgor’s or other Debtor’s Collateral (as defined in the Security Agreement); and

WHEREAS, to induce the Investor to enter into the Purchase Agreement, to purchase the Note and any Additional Notes and to make the financial accommodations available to the Pledgor under the Purchase Agreement, and in order to secure the payment and performance by the Pledgor of the Obligations (as defined in the Security Agreement), the Pledgor has agreed to pledge to the Collateral Agent, for the benefit of itself and the other Investors, the Securities (the “Equity”) of the Pledge Entities now or hereafter owned or acquired by such Pledgor to secure the Obligations.

NOW, THEREFORE, in consideration of the premises and in order to induce the Investor to purchase the Note under the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgor hereby agrees with the Collateral Agent as follows:

2. Defined Terms.

(a) Unless otherwise defined or referenced herein, all capitalized words and phrases used herein shall have the meanings given them in the Purchase Agreement. In addition, as used herein:

“Obligations” shall mean all obligations arising under the Note including but not limited to the principal, accrued interest, and other sums due under the Note.

(b) All references to a “Investor” or “Investors” hereunder shall include the Collateral Agent acting in its capacity as the Investor. For clarity, because the Collateral Agent is the sole Investor under the Purchase Agreement, the parties acknowledge that notwithstanding references to Collateral Agent or Investor in this Agreement, the term “Collateral Agent” refers to the Investor, and the terms “Investor” or “Investors” refers to the Collateral Agent, unless one or more third parties acquire a portion of the Note in which case the Investor shall act as Collateral Agent for all parties who hold such Notes in accordance with this Agreement, and their respective successors and assigns. In such event, the Collateral Agent may require amendments to the applicable Transaction Documents to reflect the inclusion of additional secured parties.

3. Pledge.

All of the Pledged Interests owned as of the date hereof by the Pledgor, which are presently represented by certificates, are listed on Exhibit A hereto, which certificates, with undated assignments separate from the certificates or capital stock/membership interest powers duly executed in blank by such Pledgor and to the extent such certificates are available and not covered by an existing lien or pledge, or irrevocable proxies, are being delivered to the Collateral Agent simultaneously with the execution of this Agreement. (a) As of the date hereof, and as of the date of any Pledge Addendum, Exhibit A sets forth (i) the authorized capital stock, shares and other equity interests of each Pledge Entity, (ii) the number of shares, shares of capital stock and other equity interests of each Pledge Entity that are issued and outstanding as of the date hereof, and (iii) the percentage of the issued and outstanding shares of capital stock and other equity interests of each Pledge Entity held by such Pledgor. Such Pledgor is the record and beneficial owner of, and has good and marketable title to, the Pledged Interests of such Pledgor, and such shares are and will remain free and clear of all pledges, liens, security interests and other encumbrances and restrictions whatsoever, except the liens and security interests in favor of the Collateral Agent created by this Agreement;

(f) The execution, delivery and performance of this Agreement will not violate any provision of any applicable law or regulation or of any order, judgment, writ, award or decree of any Governmental Authority, which are applicable to the Pledgor, or of the articles or certificate of incorporation, certificate of formation, bylaws or any other similar organizational documents of the Pledgor or any Pledge Entity or of any securities issued by the Pledgor or any Pledge Entity of any mortgage, indenture, lease, contract, or other agreement, instrument or undertaking to which the Pledgor or any Pledge Entity is a party or which is binding upon the Pledgor or any Pledge Entity or upon any of the assets of the Pledgor or any Pledge Entity, and will not result in the creation or imposition of any lien, charge or encumbrance on or security interest in any of the assets of the Pledgor or any Pledge Entity, except as otherwise contemplated by this Agreement;

(g) The pledge, assignment and delivery of the Pledged Interests and the other Pledged Collateral pursuant to this Agreement creates a valid first lien on and perfected first priority security interest in such Pledged Interests and Pledged Collateral and the proceeds thereof in favor of the Collateral Agent. The Pledgor shall promptly deliver to the Collateral Agent (i) a Pledge Addendum with respect to such additional certificates, and (ii) any financing statements or amendments to financing statements as requested by the Collateral Agent. The Pledgor hereby authorizes the Collateral Agent to attach each such Pledge Addendum to this Agreement. Except as provided in Section 5(b) below, all sums of money and property so paid or distributed in respect of the Pledged Interests which are received by the Pledgor shall, until paid or delivered to the Collateral Agent, be held by the Pledgor in trust as additional Pledged Collateral.

(b) So long as no Event of Default shall have occurred and be continuing, the Pledgor shall be entitled to receive cash dividends or other distributions made in respect of the Pledged Interests, to the extent permitted to be made pursuant to the terms of the Note and the Purchase Agreement. Upon the occurrence and during the continuance of an Event of Default, in the event that the Pledgor, as record and beneficial owner of the Pledged Interests, shall have received or shall have become entitled to receive, any cash dividends or other distributions in the ordinary course, such Pledgor shall deliver to the Collateral Agent, and the Collateral Agent shall be entitled to receive and retain, for the benefit of itself and the other Investors, all such cash or other distributions as additional security for the Obligations.

(c) Subject to any sale or other disposition by the Collateral Agent of the Pledged Interests, any other Pledged Collateral or other property pursuant to this Agreement, upon the indefeasible full payment in cash, satisfaction and termination of all of the Obligations (other than Obligations which expressly survive termination of this Agreement by their terms which shall include without limitation any contingent indemnification Obligations) and the termination of this Agreement pursuant to Section 11 hereof and of the liens and security interests hereby granted, the Pledged Interests, the other Pledged Collateral and any other property then held as part of the Pledged Collateral in accordance with the provisions of this Agreement shall be returned to the Pledgor or to such other Persons as shall be legally entitled thereto.

The Collateral Agent shall not be liable for failure to collect or realize upon the Obligations or any collateral security or guaranty therefor, or any part thereof, or for any delay in so doing, nor shall the Collateral Agent be under any obligation to take any action whatsoever with regard thereto. Any or all of the Pledged Interests held by the Collateral Agent hereunder may, if an Event of Default has occurred and is continuing, without notice, be registered in the name of the Collateral Agent or its nominee, and the Collateral Agent or its nominee may thereafter without notice exercise all voting and corporate rights at any meeting with respect to any Pledge Entity and exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any of the Pledged Interests as if it were the absolute owner thereof, including, without limitation, the right to vote in favor of, and to exchange at its discretion any and all of the Pledged Interests upon the merger, consolidation, reorganization, recapitalization or other readjustment with respect to any Pledge Entity or upon the exercise by any Pledge Entity, the Pledgor or the Collateral Agent of any right, privilege or option pertaining to any of the Pledged Interests, and in connection therewith, to deposit and deliver any and all of the Pledged Interests with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Collateral Agent may reasonably determine, all without liability except to account for property actually received by the Collateral Agent, but the Collateral Agent shall have no duty to exercise any of the aforesaid rights, privileges or options and shall not be responsible for any failure to do so or delay in so doing.

The Pledgor agrees that the Collateral Agent need not give more than 10 days’ notice of the time and place of any public sale or of the time after which a private sale or other intended disposition is to take place and that such notice is reasonable notification of such matters. No notification need be given to the Pledgor if after default it has signed a statement renouncing or modifying any right to notification of sale or other intended disposition. Notwithstanding any provision in any shareholder’s agreement or any applicable laws to the contrary, the Pledgor acknowledge and agrees that the Pledgor may pledge to the Collateral Agent all of the Pledgor’s right, title and interest in all of the Pledge Entities, and upon foreclosure the successful bidder (which may include the Collateral Agent) will be deemed admitted as a member and/or shareholder, as applicable, of each Pledge Entity, and will automatically succeed to all of the Pledgor’s right, title and interest, including without limitation, the Pledgor’s limited liability company and equity interests, right to vote and participate in the management and business affairs of the Pledge Entities, right to a share of the profits and losses of the Pledge Entities and right to receive distributions from the Pledge Entities.

9. No Disposition, Etc. Until the irrevocable payment in full, satisfaction or expiration of the Obligations (other than Obligations which expressly survive termination of this Agreement by their terms which shall include without limitation any contingent indemnification Obligations), the Pledgor agrees that it will not sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Pledged Interests or any other Pledged Collateral, nor will the Pledgor create, incur or permit to exist any lien or other encumbrance with respect to any of the Pledged Interests or any other Pledged Collateral, or any interest therein, or any proceeds thereof, except for the lien and security interest of the Collateral Agent provided for by this Agreement and the Security Agreement.

10. Sale of Pledged Interests.

(a) The Pledgor recognizes that the Collateral Agent may be unable to effect a public sale or disposition (including, without limitation, any disposition in connection with a merger of a Pledge Entity) of any or all the Pledged Interests by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, but may be compelled to resort to one or more private sales or dispositions thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof. The Pledgor acknowledges and agrees that any such private sale or disposition may result in prices and other terms (including the terms of any securities or other property received in connection therewith) less favorable to the seller than if such sale or disposition were a public sale or disposition and the Pledgor agrees that it is not commercially unreasonable for the Collateral Agent to engage in any such private sales or dispositions under such circumstances. The Collateral Agent shall be under no obligation to delay a sale or disposition of any of the Pledged Interests in order to permit the Pledgor or a Pledge Entity to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Pledgor or a Pledge Entity would agree to do so.

(b) The Pledgor further agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such sales or dispositions of the Pledged Interests valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all Governmental Authorities, domestic or foreign, having jurisdiction over any such sales or dispositions, all at such Pledgor's expense; provided that the Pledgor shall not have any obligation to register the Pledged Interests as securities under the Securities Act or the applicable state securities laws solely by virtue of this Section 9(b). The Pledgor further agrees that a breach of any of the covenants contained in Sections 4, 5(a), 5(b), 8, 9 and 24 will cause irreparable injury to the Collateral Agent and that the Collateral Agent has no adequate remedy at law in respect of such breach and, as a consequence, agrees, without limiting the right of the Collateral Agent to seek and obtain injunctive relief and/or specific performance of other obligations of the Pledgor contained in this Agreement, that each and every covenant referenced above shall be specifically enforceable against the Pledgor, and the Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants. The Collateral Agent shall not be required to post a bond or other security as a condition of obtaining equitable relief except as otherwise expressly required by applicable Law.

(c) The Pledgor further agrees to indemnify and hold harmless the Collateral Agent and each other Investor, their respective successors and assigns and all of their collective officers, directors, shareholders, members, managers, partners, employees, attorneys and agents, and any Person in control of any thereof (collectively, the “Indemnitees”), from and against any loss, liability, claim, damage and expense, including, without limitation, legal fees and expenses (in this paragraph collectively called the “Indemnified Liabilities”), under federal and state securities laws or otherwise insofar as such Indemnified Liability (i) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement, prospectus or offering memorandum or in any preliminary prospectus or preliminary offering memorandum or in any amendment or supplement to any thereof or in any other writing prepared by the Pledgor in connection with the offer, sale or resale of all or any portion of the Pledged Collateral unless such untrue statement of material fact was provided by the Collateral Agent, in writing, specifically for inclusion therein, or (ii) arises out of or is based upon any omission or alleged omission to state therein a material fact required to be stated or necessary to make the statements therein not misleading, such indemnification to remain operative regardless of any investigation made by or on behalf of the Collateral Agent or any successor thereof, or any Person in control of any thereof. In connection with a public sale or other distribution, the Pledgor will provide customary indemnification to any underwriters, their successors and assigns, officers and directors and each Person who controls any such underwriter (within the meaning of the Securities Act). If and to the extent that the foregoing undertakings in this paragraph may be unenforceable for any reason, the Pledgor agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. The indemnification obligations of the Pledgor under this Section 9(c) shall survive any termination of this Agreement to the maximum extent permitted by Law.

(d) The Pledgor further agrees not to exercise any and all rights of subrogation it may have against a Pledge Entity upon the sale or disposition of all or any portion of the Pledged Collateral by the Collateral Agent pursuant to the terms of this Agreement until the termination of this Agreement in accordance with Section 11 below.

(e) The Pledgor and each Pledge Entity further covenants and agrees not to, and to cause each of its Subsidiaries not to: (i) engage in a Fundamental Transaction (as defined in the Note(s)) with respect to any such entity unless the gross proceeds therefrom are paid to the Secured Parties to prepay the Note(s), provided that for avoidance of doubt if there are no gross proceeds to the Company, neither the Company nor the Pledge Entity nor any of their respective Subsidiaries shall enter into any agreement or arrangement with respect to a Fundamental Transaction; or (ii) sell, transfer, dispose of or encumber any assets other than pursuant to the sale of product inventory or the grant of licenses for services and related software in the ordinary course of business, or sell, transfer, encumber, or issue capital stock in any Subsidiary; or (iii) enter into an agreement or arrangement which contemplates or would result in the occurrence of any of the foregoing.

11. No Waiver, Cumulative Remedies. The Collateral Agent shall not by any act, delay, omission or otherwise be deemed to have waived any of its remedies hereunder, and no waiver by the Collateral Agent shall be valid unless in writing and signed by the Collateral Agent, and then only to the extent therein set forth. A waiver by the Collateral Agent of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Collateral Agent would otherwise have on any further occasion. No course of dealing between the Pledgor and the Collateral Agent or any other Investor, and no failure to exercise, nor any delay in exercising on the part of the Collateral Agent or any other Investor of, any right, power or privilege hereunder or under the other Transaction Documents shall impair such right or remedy or operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights or remedies provided by law or in the Purchase Agreement.

12. Termination. This Agreement and the liens and security interests granted hereunder shall terminate and the Collateral Agent, at the Pledgor's sole reasonable cost and reasonable expense, shall immediately return any Pledged Interests or other Pledged Collateral then held by the Collateral Agent in accordance with the provisions of this Agreement to the Pledgor upon the full and complete performance and indefeasible satisfaction of all of the Obligations (other than Obligations which expressly survive by their terms which shall include without limitation any contingent indemnification Obligations).

13. Possession of Collateral. Beyond the exercise of reasonable care to assure the safe custody of the Pledged Interests in the physical possession of the Collateral Agent pursuant hereto, neither the Collateral Agent, nor any nominee of the Collateral Agent, shall have any duty or liability to collect any sums due in respect thereof or to protect, preserve or exercise any rights pertaining thereto (including any duty to ascertain or take action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to the Pledged Collateral and any duty to take any necessary steps to preserve rights against any parties with respect to the Pledged Collateral), and shall be relieved of all responsibility for the Pledged Collateral upon surrendering them to the Pledgor. The Pledgor assumes the responsibility for being and keeping itself informed of the financial condition of a Pledge Entity and of all other circumstances bearing upon the risk of non-payment of the Obligations, and the Collateral Agent shall have no duty to advise the Pledgor of information known to the Collateral Agent regarding such condition or any such circumstance. The Collateral Agent shall have no duty to inquire into the powers of a Pledge Entity or its officers, directors, managers, members, partners or agents thereof acting or purporting to act on its behalf.

14. Taxes and Expenses. The Pledgor will pay to the Collateral Agent (or the applicable Governmental Authority within the Applicable Time Frame (as hereafter defined) (a) any stamp, excise, sales or other taxes (excluding income taxes, franchise taxes or other taxes levied on gross earnings, profits, income or the like of the Collateral Agent) payable or ruled payable by any Governmental Authority with respect to any of the Pledged Collateral or in connection with any of the transactions contemplated by this Agreement, together with interest and penalties, if any, and (b) all expenses, including the fees and expenses of counsel for the Collateral Agent and of any experts or agents that the Collateral Agent may incur in connection with (i) the administration, modification or amendment of this Agreement, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Pledged Collateral, (iii) the exercise or enforcement of any of the rights of the Collateral Agent hereunder, or (iv) the failure of the Pledgor to perform or observe any of the provisions hereof. For purposes hereof, the term "Applicable Time Frame" means the earlier of (a) 10 days after the Collateral Agent's written demand for such payment and (b) the date set forth in the Collateral Agent's written demand for such payment if such payment is required to be made by the Collateral Agent prior to the 10 day period referred to in the foregoing clause "(a)."

15. The Collateral Agent Appointed Attorney-In-Fact. The Pledgor hereby irrevocably appoints the Collateral Agent as such Pledgor's attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, from time to time in the Collateral Agent's discretion, to take any action and to execute any instrument that the Collateral Agent deems reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to receive, endorse and collect all instruments made payable to such Pledgor representing any dividend, interest payment or other distribution in respect of the Pledged Collateral or any part thereof and to give full discharge for the same, when and to the extent permitted by this Agreement; provided that the power of attorney granted hereunder shall only be exercised by the Collateral Agent after the occurrence and during the continuance of an Event of Default.

16. Governing Law; Exclusive Jurisdiction; No Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of this Pledge Agreement shall be governed by the Security Agreement. Any action, proceeding or claim arising out of, or relating in any way to, this Agreement shall be subject to the exclusive jurisdiction of the courts as provided in the Security Agreement. **Each party hereby irrevocable waives any right it may have, and agrees not to request, a jury trial for the adjudication of any dispute hereunder or in connection herewith or arising out of this agreement or any transaction contemplated hereby.**

17. Counterparts. This Agreement may be executed in two or more identical counterparts, all of which together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile, .pdf or similar electronically transmitted signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

18. Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

19. Severability. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

20. Entire Agreement; Amendments. This Agreement, together with the other transaction documents, supersedes all other prior oral or written agreements between the Pledgor, the Pledgees, their affiliates and persons acting on their behalf with respect to the matters discussed herein, and this agreement, together with the other transaction documents and the other instruments referenced herein and therein, contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Collateral Agent nor the Pledgor makes any representation, warranty, covenant or undertaking with respect to such matters. As of the date of this Agreement, there are no unwritten agreement between the parties with respect to the matters discussed herein. Except as set forth in Section 2(a) hereof, no provision of this Agreement may be amended, modified or supplemented other than by an instrument in writing signed by the Pledgor and the Required Holders (as defined in the Purchase Agreement).

21. Notices. All notices, approvals, requests, demands and other communications hereunder shall be delivered or made in the manner set forth in, and shall be effective in accordance with the terms of, the Purchase Agreement, in the case of communications to the Collateral Agent, directed to the notice address set forth in the Security Agreement.

22. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any subsequent holder(s) of the Note. The Pledgor shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Collateral Agent. The Collateral Agent may assign its rights hereunder without the consent of the Pledgor or any Investor (including any Person who becomes an Investor after the date hereof), in which event such assignee shall be deemed to be the Collateral Agent hereunder with respect to such assigned rights.

23. No Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and assigns including any other Investor, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

24. Survival. All representations, warranties, covenants and agreements of the Pledgor and the Collateral Agent shall survive the execution and delivery of this Agreement.

25. Further Assurances. The Pledgor agrees that it will, at any time and from time to time upon the written request of the Collateral Agent, execute and deliver all assignments separate from certificates or stock powers, financing statements and such further documents and do such further acts and things as the Collateral Agent may reasonably request consistent with the provisions hereof in order to carry out the intent and accomplish the purpose of this Agreement and the consummation of the transactions contemplated hereby.

26. No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

SUBSIDIARY GUARANTEE

This SUBSIDIARY GUARANTEE (as amended, restated, supplemented, or otherwise modified and in effect from time to time, this “Guarantee”) is made as of September[], 2026, jointly and severally, by and among Baird Medical Investment Holdings Ltd, a Cayman Islands exempted company (the “Company”), and the Company’s undersigned Subsidiaries which are all Subsidiaries of the Company as of the date hereof other than Baide Suzhou Medical Co., Ltd. and Nanjing Changcheng Medical Equipment Co., Ltd. (the “Excluded Subsidiary”), together with each other Person who becomes a party to this Guarantee by execution of a joinder in the form of Exhibit A attached hereto, which shall include all Subsidiaries (as defined in the Purchase Agreement (as defined below) of the Company formed or acquired after the date hereof for so long as this Guarantee remains in effect, shall be referred to individually as a “Guarantor” and collectively as the “Guarantors”), in favor of [], as agent for the Investor (the “Collateral Agent”), for the benefit of itself as the Investor (as defined in the Purchase Agreement).

WHEREAS, pursuant to and in accordance with the Purchase Agreement, the Company has executed and delivered that certain Note dated as of the date hereof (the “Closing Date”) in an original aggregate principal amount of up to \$4,347,826 as provided in the Purchase Agreement (the “Note”). The Note was or may be issued pursuant to the Purchase Agreement;

WHEREAS, the Note was acquired by the Investor pursuant to that certain Securities Purchase Agreement, dated as of the date hereof among the Company and the Investor (as the same may be amended, restated, supplemented or otherwise modified from time-to-time, the “Purchase Agreement”);

WHEREAS, each Guarantor is a Subsidiary of the Company and, as such, will derive substantial benefit and advantage from the Purchase Agreement, the Note, the Security Agreement and the other related agreements.

NOW, THEREFORE, for and in consideration of the promises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby jointly and severally agrees as follows:

1. Definitions.

(a) Capitalized words and phrases used herein without definition and defined in the Purchase Agreement are used herein as defined therein or, if not defined in the Purchase Agreement, as defined in the Security Agreement or the Note, as applicable. In addition, as used herein:

“Bankruptcy Code” shall mean the U.S. Federal Bankruptcy Reform Act of 1978 (11 U.S.C. §101, et seq.), as amended and in effect from time-to-time thereunder.

“Obligations” shall mean all obligations arising under the Note including but not limited to the principal, accrued interest, and other sums due under the Note.

(b) All references to an “Investor” or “Investors” hereunder shall include the Collateral Agent acting in its capacity as the Investor. For clarity, because the Collateral Agent is the sole Investor under the Purchase Agreement, the parties acknowledge that notwithstanding references to Collateral Agent or Investor in this Guarantee, the term “Collateral Agent” refers to the Investor, and the terms “Investor” or “Investors” refers to the Collateral Agent, unless one or more third parties acquire a portion of the Note in which case the Investor shall act as Collateral Agent for all parties who hold such Note in accordance with this Guarantee, and their respective successors and assigns. In such event, the Collateral Agent may require amendments to the applicable Transaction Documents to reflect the inclusion of additional secured parties.

(c) All references to a “Guarantor” or “Guarantors” hereunder shall include the Company’s Subsidiaries listed on the signature page(s) hereto, which the Company represents and warrants constitute all of the Company’s Subsidiaries as of the date of this Guarantee other than the Excluded Subsidiary, and to any additional Subsidiaries which may be formed or acquired by the Company subsequent to such date.

2. Guarantee of Payment.

(a) Each Guarantor, jointly and severally, hereby unconditionally and irrevocably guarantees the full and prompt payment and performance to the Investors and the Collateral Agent, on behalf of itself and in its capacity as agent for the benefit of the Investors, as primary obligor and not as surety, when due, whether at maturity or by reason of acceleration or otherwise, of any and all of the Obligations.

(b) Each Guarantor acknowledges that valuable consideration supports this Guarantee, including, without limitation, the consideration set forth in the recitals above; any extension, renewal or replacement of any of the Obligations; any forbearance with respect to any of the Obligations or otherwise; any cancellation of an existing guaranty; any purchase of any of the Company’s assets by any Investor or Collateral Agent; or any other valuable consideration.

(c) Each Guarantor agrees that all payments under this Guarantee shall be made in United States currency and in the same manner as provided for the Obligations.

(d) Notwithstanding any provision of this Guarantee to the contrary, it is intended that any payment made by a Guarantor pursuant to this Guarantee does not constitute a “Fraudulent Conveyance” (as defined below) in the event that this Guarantee or such interest is subject to the Bankruptcy Code or any applicable fraudulent conveyance or fraudulent transfer law or other applicable laws of any state. Consequently, each Guarantor, the Collateral Agent and the Investors all agree that if this Guarantee, or any such payments pursuant to this Guarantee, would, but for the application of this sentence, constitute a Fraudulent Conveyance, this Guarantee shall be valid and enforceable only to the maximum extent that would not cause this Guarantee or such payment to constitute a Fraudulent Conveyance, and this Guarantee shall automatically be deemed to have been amended accordingly at all relevant times. For purposes hereof, “Fraudulent Conveyance” means a fraudulent conveyance under Section 548 of the Bankruptcy Code or a fraudulent conveyance or fraudulent transfer under the provisions of any applicable fraudulent conveyance or fraudulent transfer law or other applicable laws of any state, as in effect from time to time.

3. Costs and Expenses. The Company and each Guarantor, jointly and severally, agrees to pay on demand, all reasonable and documented out of pocket Costs and Expenses of every kind incurred by any Investor or the Collateral Agent: (a) in enforcing this Guarantee or any other Transaction Document, (b) in collecting any of the Obligations from any Guarantor pursuant to this Guarantee or any other Transaction Document, (c) in protecting or preserving any Collateral, and (d) in connection with any amendment of, modification to, waiver or forbearance granted under, or enforcement or administration of this Guarantee or any other Transaction Document or for any other purpose in connection with this Guarantee or any other Transaction Document, in each case, to the extent an Investor or the Collateral Agent may take such action pursuant to the terms and conditions of this Guarantee. "Costs and Expenses" as used in the preceding sentence shall include, without limitation, reasonable attorneys' fees incurred by any Investor or the Collateral Agent in retaining legal counsel for advice, suit, appeal, any insolvency or other proceedings under the Bankruptcy Code or otherwise, or for any purpose specified in the preceding sentence.

4. Nature of Guarantee: Continuing, Absolute and Unconditional.

(a) This Guarantee is and is intended to be a continuing guaranty of payment of the Obligations when due, and not of collectability, and is intended to be independent of and in addition to any other guaranty, endorsement, collateral or other agreement held by an Investor or the Collateral Agent therefor or with respect thereto, whether or not furnished by a Guarantor. None of the Investors and the Collateral Agent shall be required to prosecute collection, enforcement or other remedies against the Company, any other Guarantor or guarantor of the Obligations or any other person or entity, or to enforce or resort to any of the Collateral or other rights or remedies pertaining thereto, before calling on a Guarantor for payment. The obligations of each Guarantor to repay the Obligations hereunder shall be unconditional. No Guarantor shall have any right to exercise any right of subrogation, reimbursement, indemnity, exoneration, contribution or any other claim which it may now or hereafter have against the Company in connection with this Guarantee until the termination of this Guarantee in accordance with Section 8 below, and each Guarantor agrees that it will not take any action to enforce any obligations of the Company to such Guarantor prior to the Obligations being finally and irrevocably paid in full in cash, provided that, in the event of the bankruptcy or insolvency of the Company, to the extent the Obligations have not been finally and irrevocably paid in full in cash, the Collateral Agent, for the benefit of itself and the Investors, and the Investors shall be entitled notwithstanding the foregoing, to file in the name of any Guarantor or in its own name a claim for any and all indebtedness owing to a Guarantor by such Company (exclusive of this Guarantee), vote such claim and to apply the proceeds of any such claim to the Obligations.

(b) For the further security of the Investors and without in any way diminishing the liability of the Guarantors, following the occurrence and during the continuance of an Event of Default (as defined in the Note), all debts and liabilities, present or future, of the Company to the Guarantors, and all monies received from the Company or for its account by the Guarantors in respect thereof shall be received in trust for Investors and the Collateral Agent and shall, if requested by the Collateral Agent, be paid over to the Collateral Agent, for its benefit and in its capacity as the Collateral Agent for the benefit of the Investors, until all of the Obligations have been paid in full (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations which expressly survive termination of this Guarantee). This assignment and postponement is independent of and severable from this Guarantee and shall remain in full effect whether or not any Guarantor is liable for any amount under this Guarantee.

(c) This Guarantee is absolute and unconditional and shall not be changed or affected by any representation, oral agreement, act or thing whatsoever, except as herein provided. This Guarantee is intended by the Guarantors to be the final, complete and exclusive expression of the guarantee agreement among the Company, the Guarantors, the Investors and the Collateral Agent (except as expressly limited by the express terms of this Guarantee). No modification or amendment of any provision of this Guarantee shall be effective against any party hereto unless in writing and signed by a duly authorized officer of such party. This Guarantee, together with the other Transaction Documents, supersedes all other prior oral or written agreements between the Investors, the Company, the Guarantors and the Collateral Agent, their respective Affiliates and Persons acting on their respective behalves with respect to the matters discussed herein, and this Guarantee, together with the other Transaction Documents and the other instruments referenced herein and therein, contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company, any Guarantor, the Collateral Agent nor any Investor makes any representation, warranty, covenant or undertaking with respect to such matters. As of the date of this Guarantee, there are no unwritten agreements between the parties with respect to the matters discussed herein. No provision of this Guarantee may be amended, modified or supplemented other than by an instrument in writing signed by the parties hereto.

(d) Each Guarantor hereby releases each Investor and the Collateral Agent from all, and agrees not to assert or enforce (whether by or in a legal or equitable proceeding or otherwise) any, "claims" (as defined in Section 101(5) of the Bankruptcy Code), whether arising under any law, ordinance, rule, regulation, order, policy or other requirement of any domestic or foreign governmental authority or any instrumentality or agency thereof, having jurisdiction over the conduct of its business or assets or otherwise, to which the Guarantors are or would at any time be entitled by virtue of its obligations hereunder, any payment made pursuant hereto or the exercise by any Investor or the Collateral Agent of its rights with respect to the Collateral, including any such claims to which such Guarantor may be entitled as a result of any right of subrogation, exoneration or reimbursement.

5. Certain Rights and Obligations.

(a) Each Guarantor acknowledges and agrees that the Collateral Agent may, with three days' advance written notice to Guarantor, demand or any reservation of rights against such Guarantor and without affecting such Guarantor's obligations hereunder, from time to time:

(i) subject to the terms of the Note and Purchase Agreement as applicable, renew, extend, increase, accelerate or otherwise change the time for payment of, the terms of or the interest on the Obligations or any part thereof or grant other indulgences to any Guarantor or others;

(ii) accept from any Person and hold Collateral for the payment of the Obligations or any part thereof, and modify, exchange, enforce or refrain from enforcing, or release, compromise, settle, waive, subordinate or surrender, with or without consideration, such Collateral or any part thereof;

(iii) accept and hold any endorsement or guaranty of payment of the Obligations or any part thereof, and discharge, release or substitute any such obligation of any such endorser or guarantor, or discharge and release or compromise any Guarantor, or any other Person who has given any security interest in any Collateral as security for the payment of the Obligations or any part thereof, or any other Person in any way obligated to pay the Obligations or any part thereof, and enforce or refrain from enforcing, or compromise or modify, the terms of any obligation of any such endorser, guarantor or Person;

(iv) subject to the terms of the other Transaction Documents as applicable and upon the occurrence and during the continuation of an Event of Default, dispose of any and all Collateral securing the Obligations in its reasonable discretion, as it may deem appropriate, and direct the order or manner of such disposition and the enforcement of any and all endorsements and guaranties relating to the Obligations or any part thereof as the Collateral Agent in its reasonable discretion may determine;

(v) subject to the terms of the Note and Purchase Agreement as applicable, determine the manner, amount and time of application of payments and credits, if any, to be made on all or any part of any component or components of the Obligations (whether principal, interest, fees, costs, and expenses, or otherwise), including, without limitation, the application of payments received from any source to the payment of Indebtedness other than the Obligations even though one or more Investors might lawfully have elected to apply such payments to the Obligations or to amounts which are not covered by this Guarantee; and

(vi) take advantage or refrain from taking advantage of any security or accept or make or refrain from accepting or making any compositions or arrangements when and in such manner as Collateral Agent, in its sole discretion, may deem appropriate; and

(vii) generally do or refrain from doing any act or thing which might otherwise, at law or in equity, release the liability of such Guarantor as a guarantor or surety in whole or in part, and in no case shall any Investor or Collateral Agent be responsible or shall any Guarantor be released either in whole or in part for any act or omission in connection with an Investor or Collateral Agent having sold any security at less than its fair market value.

(b) Following the occurrence and during the continuance of an Event of Default, and upon demand by the Collateral Agent, each Guarantor, jointly and severally, hereby agrees to pay the Obligations to the extent hereinafter provided and to the extent unpaid:

- (i) without deduction by reason of any defense (other than payment) or counterclaim of the Company or any other Guarantor;
- (ii) without requiring presentment or protest to the Company, any other Guarantor or any other Person;
- (iii) without or filing of claims with a court in the event of receivership, bankruptcy or reorganization of the Company or any other Guarantor;
- (iv) without requiring any Investor or the Collateral Agent to resort first to the Company (this being a guaranty of payment and not of collection), to any other Guarantor, or to any other guaranty or any collateral which an Investor or the Collateral Agent may hold;
- (v) without requiring notice of acceptance hereof or assent hereto by any Investor or the Collateral Agent; and
- (vi) without requiring notice that any of the Obligations has been incurred, extended or continued or of the reliance by any Investor or the Collateral Agent upon this Guarantee;

all of which each Guarantor hereby irrevocably waives.

(c) Each Guarantor's obligation hereunder shall not be affected by any of the following, all of which such Guarantor hereby waives:

- (i) any failure to perfect or continue the perfection of any security interest in or other Lien on any Collateral securing payment of any of the Obligations or any Guarantor's obligation hereunder;
- (ii) the invalidity, unenforceability, propriety of manner of enforcement of, or loss or change in priority of any document or security interest or other Lien or guaranty of the Obligations;
- (iii) any failure to protect, preserve or insure any Collateral;
- (iv) failure of a Guarantor to receive notice of any intended disposition of any Collateral;
- (v) any defense arising by reason of the cessation from any cause whatsoever of liability of any Guarantor including, without limitation, any failure, negligence or omission by any Investor or the Collateral Agent in enforcing its claims against the Company;
- (vi) any release, settlement or compromise of any Obligation of the Company, any other Guarantor or any other Person guaranteeing the Obligations;
- (vii) the invalidity or unenforceability of any of the Obligations;

- (viii) any change of ownership of the Company, any other Guarantor or any other Person guaranteeing the Obligations or the insolvency, bankruptcy or any other change in the legal status of the Company, any Guarantor or any other Person guaranteeing the Obligations;
- (ix) any change in, or the imposition of, any law, decree, regulation or other governmental act which does or might impair, delay or in any way affect the validity, enforceability or the payment when due of the Obligations;
- (x) the existence of any claim, setoff or other rights which the Company, the Guarantor, any other Guarantor or guarantor of the Obligations or any other Person may have at any time against any Investor or the Collateral Agent in connection herewith or any unrelated transaction;
- (xi) any Investor's or the Collateral Agent's election in any case instituted under Chapter 11 of the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code;
- (xii) any use of cash Collateral, or grant of a security interest by any Company, as debtor in possession, under Sections 363 or 364 of the Bankruptcy Code;
- (xii) the disallowance of all or any portion of any of any Investor's or the Collateral Agent's claims for repayment of the Obligations under Sections 502 or 506 of the Bankruptcy Code;
- (xiii) any stay or extension of time for payment by the Company or any Guarantor resulting from any proceeding under the Bankruptcy Code or any other applicable law; or
- (xiv) any other fact or circumstance which might otherwise constitute grounds at law or equity for the discharge or release of a Guarantor from its obligations hereunder, all whether or not such Guarantor shall have had notice or knowledge of any act or omission referred to in the foregoing clauses (i) through (xiv) of this Section 5(c).

6. Representations and Warranties. Each Guarantor further represents and warrants to each Investor and the Collateral Agent that, as of the date hereof: (a) such Guarantor is a corporation, exempted company, company or other entity duly incorporated or organized, as applicable, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation, as applicable, and has full power, authority and legal right to own its property and assets and to transact the business in which it is presently engaged; (b) such Guarantor has full power, authority and legal right to execute and deliver, and to perform its obligations under, this Guarantee, and has taken all necessary action to authorize the guarantee hereunder on the terms and conditions of this Guarantee and to authorize the execution, delivery and performance of this Guarantee; (c) this Guarantee has been duly executed and delivered by such Guarantor and constitutes a legal, valid and binding obligation of such Guarantor enforceable against such Guarantor in accordance with its terms, except to the extent that such enforceability is subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance and moratorium laws and other laws of general application affecting enforcement of creditors' rights generally, or the availability of equitable remedies, which are subject to the discretion of the court before which an action may be brought; (d) the execution, delivery and performance by each Guarantor of this Guarantee does not require any action by or in respect of, or filing with, any governmental body, agency or official and do not violate, conflict with or cause a breach or a default under any provision of (i) applicable law or regulation, (ii) the organizational documents of such Guarantor, (iii) any judgment, injunction, order, decree or other instrument binding upon it, or (iv) any agreement binding upon it; and (e) the Guarantors are all of the subsidiaries of the Company other than the Excluded Subsidiary.

7. Covenants.

(a) Each Guarantor covenants with each Investor and the Collateral Agent that such Guarantor shall not grant any security interest in or permit any Lien upon any of its assets in favor of any Person other than Permitted Liens (as defined in the Note) and security interests in favor of the Investors and the Collateral Agent. Each Guarantor agrees that it shall not take any action or engage in any transaction that such Guarantor is prohibited from taking or engaging in pursuant to the terms of the Transaction Documents. In addition, each Guarantor agrees to comply with the terms of the Transaction Documents to the same extent that the Company is required to cause the Guarantors to comply with such terms of the Transaction Documents. Each Guarantor, by its signature hereto, hereby acknowledges and agrees that a breach by such Guarantor of this Guarantee constitutes an "Event of Default" under the Note and the other Transaction Documents.

(b) Each Guarantor covenants and agrees covenants and agrees not to, and to cause each of its Subsidiaries not to: (i) engage in a Fundamental Transaction (as defined in the Note(s)) with respect to any such entity unless the gross proceeds therefrom are paid to the Investor to prepay the Note(s), provided that for avoidance of doubt if there are no gross proceeds to the Company, no Guarantor nor any of their respective Subsidiaries shall enter into any agreement or arrangement with respect to a Fundamental Transaction; or (ii) sell, transfer, dispose of or encumber any assets other than pursuant to the sale of product inventory or the grant of licenses for services and related software in the ordinary course of business, or sell, transfer, encumber, or issue capital stock in any Subsidiary; or (iii) enter into an agreement or arrangement which contemplates or would result in the occurrence of any of the foregoing.

8. Termination. This Guarantee shall not terminate until the full and complete performance and indefeasible satisfaction of all of the Obligations (including, without limitation, the indefeasible payment in full in cash of all such Obligations (other than unasserted contingent indemnification obligations and unasserted expense reimbursement obligations which expressly survive termination of this Guarantee)) or the termination of the Obligations in accordance with the Transaction Documents. Thereafter, but subject to the following, the Collateral Agent, on behalf of itself and as agent for the Investors, shall take such actions and execute such documents as the Guarantors may reasonably request (and at the Guarantors' cost and expense) in order to evidence the termination of this Guarantee. Payment of all of the Obligations owing from time to time shall not operate as a discontinuance of this Guarantee. Each Guarantor further agrees that, to the extent that the Company or a Guarantor makes a payment to the Investors or the Collateral Agent on the Obligations, or the Investors or the Collateral Agent receive any proceeds from the Collateral securing the Obligations or any other payments with respect to the Obligations, which payment or receipt of proceeds or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be returned or repaid to the Company, a Guarantor or any of their respective estates, trustees, receivers, debtors in possession or any other Person under any insolvency or bankruptcy law (including, but not limited to the Bankruptcy Code), state or federal law, common law or equitable cause, then to the extent of such payment, return or repayment, the obligation or part thereof which has been paid, reduced or satisfied by such amount shall be reinstated and continued in full force and effect as of the date when such initial payment, reduction or satisfaction occurred, and this Guarantee shall continue in full force notwithstanding any contrary action which may have been taken by any Investor or the Collateral Agent in reliance upon such payment, and any such contrary action so taken shall be without prejudice to any Investor's or the Collateral Agent's rights under this Guarantee and shall be deemed to have been conditioned upon such payment having become final and irrevocable. Upon satisfaction of the Obligations in accordance with this Section 8, each Guarantor's obligations under this Guarantee shall immediately terminate and this Guarantee shall be void.

9. Guarantee of Performance. Each Guarantor also, jointly and severally, guarantees the full, prompt and unconditional performance of all Obligations and agreements of every kind owed or hereafter to be owed by the Company or the other Guarantors to the Investors or the Collateral Agent under this Guarantee and the other Transaction Documents. Every provision for the benefit of the Investors or the Collateral Agent contained in this Guarantee shall apply to the guaranty of performance given in this Section 9.

10. Assumption of Liens and Obligations. To the extent that a Guarantor has received or shall hereafter receive distributions or transfers from the Company of property or cash that are subject, at the time of such distribution or transfer, to Liens and security interests in favor of the Investors or the Collateral Agent in accordance with the Transaction Documents, such Guarantor hereby expressly agrees that (i) it shall hold such assets subject to such Liens and security interests, and (ii) it shall be liable for the payment of the Obligations secured thereby. Each Guarantor's obligations under this Section 10 shall be in addition to its obligations as set forth in other sections of this Guarantee and not in substitution therefor or in lieu thereof.

11. Miscellaneous.

(a) The terms "Company" and "Guarantor" as used in this Guarantee shall include: (i) any successor individuals, associations, partnerships, limited liability companies, exempted companies, corporations or other entities and (ii) any other associations, partnerships, limited liability companies, corporations or entities into or with which such Company or such Guarantor shall have been merged, consolidated, reorganized, or absorbed.

(b) Without limiting any other right of any Investor or the Collateral Agent, whenever any Investor or the Collateral Agent has the right to declare any of the Obligations to be immediately due and payable (whether or not it has been so declared), the Collateral Agent, on its behalf and in its capacity as agent for the benefit of the Investors, at its sole election without notice to the undersigned may appropriate and set off against the Obligations:

(i) any and all indebtedness or other moneys due or to become due the Company or to any Guarantor by any Investor or the Collateral Agent in any capacity and whether arising out of or related to the Transaction Documents or otherwise; and

(ii) any credits or other property belonging to the Company or any Guarantor (including all account balances, whether provisional or final and whether or not collected or available) at any time held by or coming into the possession of any Investor or the Collateral Agent, or any Affiliate of any Investor or the Collateral Agent, whether for deposit or otherwise;

in each case, whether or not then due and owing, and the applicable Investor or the Collateral Agent, as applicable, shall be deemed to have exercised such right of set off immediately at the time of such election even though any charge therefore is made or entered on such Investor's or the Collateral Agent's records subsequent thereto. The Collateral Agent agrees to notify such Guarantor in a reasonable time of any such set-off; however, failure of the Collateral Agent to so notify such Guarantor shall not affect the validity of any set-off.

(c) Each Guarantor's obligation hereunder is to pay the Obligations in full in cash when due according to this Guarantee, the Note, the other Transaction Documents, and any other agreements, documents and instruments governing the Obligations to the extent provided herein, and shall not be affected by any stay or extension of time for payment for the benefit of the Company or any other Guarantor resulting from any proceeding under the Bankruptcy Code or any other applicable law.

(d) No course of dealing between the Company or any Guarantor, on the one hand, and an Investor or the Collateral Agent, on the other hand, and no act, delay or omission by an Investors or the Collateral Agent in exercising any right or remedy hereunder or with respect to any of the Obligations shall operate as a waiver thereof or of any other right or remedy, and no single or partial exercise thereof shall preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies of each Investor and the Collateral Agent hereunder are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

(e) This Guarantee shall inure to the benefit of the parties hereto and their respective successors and assigns.

(f) The Collateral Agent may assign its rights hereunder, in which event such assignee shall be deemed to be the Collateral Agent hereunder with respect to such assigned rights.

(g) Captions of the sections of this Guarantee are solely for the convenience of the parties hereto, and are not an aid in the interpretation of this Guarantee and do not constitute part of the agreement of the parties set forth herein.

(h) If any provision of this Guarantee is unenforceable in whole or in part for any reason, the remaining provisions shall continue to be effective.

11. Notices. All notices, approvals, requests, demands and other communications hereunder shall be delivered or made in the manner set forth in, and shall be effective in accordance with the terms of, the Purchase Agreement; provided, that any communication shall be effective as to any Guarantor if made or sent to the Company in accordance with the foregoing.

13. Waivers.

(a) Each Guarantor waives the benefit of all valuation, appraisal and exemption laws.

(b) Upon the occurrence of a default or Event of Default, each Guarantor hereby waives all rights to notice and hearing of any kind prior to the exercise by any Investor or the Collateral Agent, on its behalf and in its capacity as agent for the benefit of the Investors, of its rights to repossess the Collateral without judicial process or to replevy, attach or levy upon the Collateral without prior notice or hearing. Each Guarantor acknowledges that it has been advised by counsel of its choice with respect to this transaction and this Guarantee.

(c) Each Guarantor waives its rights to a trial by jury of any claim or cause of action based upon or arising out of or related to this guaranty, or the other transaction documents, in any action, proceeding or other litigation of any type brought by any Investor or the Collateral Agent. Each Guarantor agrees that any such claim or cause of action shall be tried by a court without a jury. Without limiting the foregoing, each guarantor further agrees that its right to a trial by jury is waived by operation of this section as to any action, counterclaim or other proceeding which seeks, in whole or in part, to challenge the validity or enforceability of this Guarantee or any provision hereof. This waiver shall apply to any subsequent amendments, renewals, supplements or modifications to this Guarantee.

14. Agent. The terms and provisions of the Security Agreement which set forth the indemnifications to which the Collateral Agent is entitled are hereby incorporated by reference herein as if fully set forth herein.

15. Counterparts; Headings. This Guarantee may be executed in two or more identical counterparts, all of which together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party; provided that a facsimile, .pdf or similar electronically transmitted signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature. The headings in this Guarantee are for convenience of reference only and shall not alter or otherwise affect the meaning hereof.

16. Governing Law; Exclusive Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Guarantee shall be governed by and construed and enforced in accordance with the Purchase Agreement, and all legal Actions concerning the interpretations, enforcement and defense of the transactions contemplated by this Guarantee shall be commenced and litigated only as provided in the Purchase Agreement.
